

I love you because I know you're always there...
there to catch me when I fall... there to listen
when I need you, there when I feel alone. I love
you because you understand me... you know how
I feel even when I can't say it... you know I'm not
as strong as I say and still you never let me know
that I'm not fooling you. I love you because you
make me believe, believe that I am not
worthless... believe that I can be loved, am loved,
and can love others. I love you because you
know, you know I feel this way but can't say it
and still you wait... letting me take my time to
come to terms with the fact that I love you...
would give my life up to be with you... and about
all... never hurt you... lie to you... or leave you.
Now I hope you understand.

God in contemplation With great sensitivity the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics Julian of Norwich the Cloud of Unknowing author Meister Eckhart Mechthild of Magdeburg Clare of Assisi John of the Cross Teilhard de Chardin Beatrice Bruteau and Ilia Delio With the delicate eye of a spiritual director immersed in mystical literature Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights Deeply grounded in traditional and contemporary mystical classics Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science highlighting key moments in contemplation that when surrendered into open into divine love Born of intellectual reflection lived experience and contemplative wisdom Love s Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment

[A Night at the Opera](#) Sir Denis Forman,1998-09-01 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea s Adriana Lecouvreur to Mozart s Die Zauberfl te For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of Fidelio is a bit of a mess while the last scene of Don Giovanni towers above the comic finales of Figaro and Cos and whether or not it is Mozart s greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is

included as well as Operatica or the essential elements of opera from the proper place and style of the audience s applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come **The Collected Works of Thomas Kyd** Thomas Kyd,2024 First complete integrated corpus of this major Elizabethan writer and first critical edition of his collected works in over one hundred years with major new discoveries of authorship and attribution Thomas Kyd 1558-94 is best known as author of The Spanish Tragedy the first revenge play hugely influential on Shakespeare and other dramatists He also wrote another love tragedy Soliman and Perseda and Cornelia a classical tragedy translated from the French This is a small canon for a dramatist described as industrious Kyd worked between 1585 and 1594 when the instability in the London theatre caused by the plague led to companies breaking up and plays being published anonymously For over a century scholars have been searching for Kyd plays the most frequently attributed being Arden of Faversham Uniting accepted methods with modern electronic data processing Brian Vickers has endorsed Kyd s authorship of Arden and added two other plays King Leir Shakespeare s main source and Fair Em a comedy justifying Jonson s reference to sporting Kyd His research has also identified Kyd as co author with Nashe of harem the vi which became 1 Henry VI after Shakespeare adapted it to his Wars of the Roses sequence The evidence suggests that Kyd and Shakespeare co authored Edward III The Collected Works of Thomas Kyd brings together for the first time his dramas poetry translations and letters in accurate modernized editions each text edited by one of a team of internationally renowned scholars accompanied by commentaries collation notes and introductions Kyd emerges as a pioneering playwright of much greater generic range than has been hitherto recognized His newly defined canon will stimulate a fresh evaluation of English drama in this crucial period

Twenty-five old ballads and songs: from MSS. in the possession of J.P. Collier [and ed. by him.]. Twenty-five old ballads,1869 *The Feminine Genius of Catholic Theology* Matthew Levering,2012-07-26 This book introduces Catholic doctrine through the crucible of the women mystics reception of the gospel The work of the great women theologians of the Church s second millennium has too often been neglected or relegated to the category of mysticism in textbooks on Catholic doctrine This is a shame because their work shows the interior conjunction of liturgical experience broadly understood scriptural exegesis philosophical reflection and doctrinal creedal formulation Drawing on their work this book presents the tenets of Catholic faith in a clear and accessible manner useful for introductory courses as well as for students and scholars interested in the contributions of women to Catholic theology Women theologians in this book include Catherine of Siena Theresa of Avila Therese of Lisieux Simone Weil and others **The young people's hymnal** Young people,1895 **Pieces of My Heart** Virginia Midgett Richardson,2013-05-28 About the Book Today with so many forms and styles of modern poetry it is refreshing sometimes to read the simple rhymes that one can understand without some kind of degree in reading poetry The poems between the covers of this book come from the very heart of the writer and describes so many feelings she has

felt through the many years of her life Some are sad and some are hopeful and there are others that tell her story in rhyme that is simple and are written for ordinary people who often feel as she feels Maybe in some of the poems they can find a part of themselves or relive some memories they have long forgotten but would like to revisit May these words bring some joy to others and that is one reason the author has published this book Tar and feathers Victor Rubin,2025-03-02 In Tar and Feathers Victor Rubin crafts a poignant and evocative narrative that delves into the complexities of public shaming and the moral dilemmas surrounding justice in society Set against a backdrop of contemporary social upheaval the book employs a lyrical prose style that intertwines psychological depth with sharp social commentary Rubin s adept use of metaphor and allegory invites readers to reconsider their perceptions of guilt and innocence compelling us to navigate the murky waters of mob mentality and individual ethics in a world where digital and real life consequences collide Victor Rubin a scholar of social justice issues and an advocate for ethical discourse draws on his extensive background in sociology to explore the themes presented in this work His unique insights stem from his own experiences observing social movements lending the narrative an authenticity that resonates with current global conversations Rubin s ability to seamlessly blend academic rigor with engaging storytelling makes Tar and Feathers not only a thought provoking read but also a significant cultural commentary This book is recommended for readers who seek to engage with pressing societal issues through a literary lens It challenges us to reflect on our own values and the systems that govern our actions Tar and Feathers is an essential read for anyone interested in the interplay of morality justice and the human condition Songs in the masque of Alfred Thomas
