RICHARD
WILBUR*

Longfellow The Laurel Poetry Series

Charles C. Calhoun

Longfellow The Laurel Poetry Series:

Longfellow Henry Wadsworth Longfellow, 1959 **Longfellow** Henry Wadsworth Longfellow, 1959 Longfellow in Love Edward M. Cifelli, 2018-08-15 After four years traveling through Europe and a yearlong romance with Giulia Persiani in Rome Henry Wadsworth Longfellow came back home in 1829 and fell in love again this time with Mary Storer Potter whom he married in 1831 They traveled together to England and Scandinavia in 1834 but their happiness was cut short when she died in 1835 In 1836 traveling in Switzerland he met the woman who would become the grand passion of his life 18 year old Fanny Appleton of Boston But she a wealthy textile heiress was not interested in settling down with a Harvard professor She rebuffed his advances for six years then suddenly changed her mind and married him on July 13 1843 For the next 18 years they were America's couple and Longfellow became America's poet and then tragedy struck once again **Longfellow** Charles C. Calhoun, 2005-06-15 In the first biography of Longfellow in almost fifty years Charles C Calhoun seeks to solve a mystery Why has one of America's most famous writers fallen into oblivion His answer to this question takes us through a life story that reads like a Victorian family saga and reveals the man who introduced Americans to the literatures of other countries while creating a gallery of American icons among them Paul Revere John and Priscilla Alden Miles Standish the Village Blacksmith Hiawatha and Evangeline Papers Presented at the Longfellow Commemorative Conference, 1982

Public Poet, Private Man Christoph Irmscher, 2009 Based on an exhibition at the Houghton Library and was originally published as a special issue of the Harvard Library Bulletin Volume 17 Numbers 3 4 **Henry Wadsworth Longfellow** Edward Hirsh, 1964-01-01 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible to scholars students researchers and general readers Rich with historical and cultural value these works are published unaltered from the original University of Minnesota Press editions The books offered through Minnesota Archive Editions are produced in limited quantities according to customer demand and are available through select distribution partners The Cambridge Companion to the Literature of the American Renaissance Christopher N. Phillips, 2018-03-07 The American Renaissance has been a foundational concept in American literary history for nearly a century The phrase connotes a period as well as an event an iconic turning point in the growth of a national literature and a canon of texts that would shape American fiction poetry and oratory for generations F O Matthiessen coined the term in 1941 to describe the years 1850 1855 which saw the publications of major writings by Hawthorne Melville Emerson Thoreau and Whitman This Companion takes up the concept of the American Renaissance and explores its origins meaning and longevity Essays by distinguished scholars move chronologically from the formative reading of American Renaissance authors to the careers of major figures ignored by Matthiessen including Stowe Douglass Harper and Longfellow The volume uses the best of current literary studies from digital humanities to psychoanalytic theory to illuminate an era that reaches far beyond the Civil War and continues to shape our understanding of American literature **American Literature Before 1880** Robert

Lawson-Peebles, 2003-11-13 American Literature Before 1880 attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature **Selected Poetry** Henry Wadsworth Longfellow, 1959
