India Lost & Found David Grier,2014-11-01 Good luck my friend Simple words said in passing by a holy man to David Grier on the streets of Mumbai Grier didn t know the man he hardly saw him in fact but that encounter was a sign that the madcap idea he was investigating whether or not it was in fact possible to run the length of India was something he had to do With his hardy yet comical crew he set off to run from the northernmost Hindu temple in the Himalayan foothills of Kashmir right down to the southern tip of India Through mountain ranges and across rich farmlands and forests dodging traffic battling through smog choked cities and across desert salt plains fjording rivers and running unwittingly through a tiger sanctuary they ran and ran Armed with GPSs maps and helpful directions they got lost in India But through its beauty its heaving masses and the remarkable resilience of its people they found themselves 93 days and 4008 km later emerging a whole lot wiser at their journey s end Secrets of the Cloth Carlton James,2019-04-10 James Carlos George and Arthur met as fraternity brothers in college Back then they were hazy representations of the men they would one day become By some sort of miracle each of the four develops as a strong leader pulled to the power of the church In adulthood they reach the pinnacle of career success as influential mega church pastors However things are not what they seem These four friends hold more authority than any men rightly should The full package they have charisma good looks money and Ivy League resumes To the average layman these church overseers are the epitome of what a spiritual guru should be but to the keen observer they are more feared than loved To those enlightened by truth the reality of their identities is clear James Carlos George and Arthur are not men of the cloth but gangsters who run both their churches and the streets with dictatorial glee With rumors of ties to the Illuminati circulating these four prominent pastors are now catapulted from the crime riddled streets of Jacksonville Florida to the forefront of a secret national movement that threatens lives and even souls Dublin University, A Literary Journal and Political Journal ,1871
