from his fellow patients and the medical miracles performed on his heart by famous surgeon Alan Kerr. It's the story of growing up a Pacific Islander in Auckland, a reflection on the bad old days when schools made Pacific Island children Anglicise their names and hospitals did not have translators, an insight into the inter-generational tensions in Pacific Island migrant families, and also a testimony to deep friendship, boundless love, and bucketloads of humour. Written in a warm, personable and humorous style, this book is part of the cultural sea change happening in New Zealand: first the play *Niu Sila*, then *Bro Town No 2* and *Sione's Wedding*, and now the first memoir from a 40-something Samoan, written with grace, love, and insight. The *Weekend Herald's* *Canvas* magazine wrote: "Written with verve and humour, *Purple Heart* is a revelation." The *New Zealand Listener* singled it out as one of the year's best memoirs, praising its humour, light touch, and lack of self-pity.

Behind the Screen Brynn W. Shiovitz, 2023. How and why was outdated racial content, and specifically blackface minstrelsy, not only permitted but in fact allowed to thrive during the 1930s and 1940s, despite the rigid motion picture censorship laws which were enforced during this time? Introducing a new theory of covert minstrelsy, this book illuminates Hollywood's practice of capitalizing on the Africanist aesthetic at the expense of Black lived experience. Through close examination of the musicals made during this period, this book shows how Hollywood utilized a series of covert guises or subterfuges, complicated and further masked by a film's narrative framing and novel technology, to distract both censors and audiences from seeing the ways in which they were being fed a nineteenth-century White narrative of Blackness. Drawing on the annals of Hollywood's most popular and its extremely rare films, *Behind the Screen* uncovers a half-century of blackface application by delicately removing the individual layers of disguise through close analyses of films which paint tap dance, swing, and other predominantly Africanist forms in a negative light. This book goes beneath the image of recognizable White performers, including Al Jolson, Eddie Cantor, Fred Astaire, and Eleanor Powell, exploring the high cost of their onscreen representational politics. The book also recuperates the stories of several of the Black artists whose labor was abused during the choreographic and filming process. Some of the many newly documented stories include those of *The Three Chocolateers*, *The Three Eddies*, *The Three Gobs*, *The Peters Sisters*, *Jeni Le Gon*, and *Cora La Redd*. In stripping away the various disguises involved during Hollywood's Golden Age, *Behind the Screen* recovers the visibility of Black artists whose names Hollywood omitted from the credits and whose identities America has written out of the national narrative. *Sinful Hands* T.L.

Smith, 2022-01-25. Lucas, I was obsessed from the beginning. And once I have an obsession, it's best you don't get in my way. Chanel, I tried to stay away. He was the one who was whispered about on the streets, the viper that once he had a taste would hunt you down and collect you. And Lucas liked to collect things. One of those things was me. *Sinful Hands* is Book 1 in the Chanel/Lucas duet and is part of the *Chained Hearts* duet world. **Roses Are Red** Alexis Murrell, 2020-10-30.
