Looking For A Face Like Mine:

No Face Like Mine Martha Wyatt-Rossignol,2024-10-01 No Face Like Mine tells the story of a woman who spent her life looking for a face like hers Growing up she wondered why her face was unlike any of her family members It was later revealed that she had a different father than her siblings But even then the man she was told was her father did not look like her She still had doubts but never questioned what she was told Her suspicions were finally proven valid Her father was not her father She was left with a big void in her life so she kept wondering After getting married and moving away from her birthplace she felt she would never find the truth but she kept hoping For years the quest and desire to find her biological father lingered in her soul *His Face like Mine* Russell W.
