Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the in visibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people s understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy **Baldwin: A Love Story** Nicholas

White, 2015-01-07 Laura Ingalls and Almanzo Wilder lived in the Missouri Ozarks for over a half century They loved the scenery the mild climate their little Rocky Ridge Farm the people They loved their life in the Ozarks So what s it like to live a life like that just up the road from Laura s place Dan L White and family have done that for over a quarter century During that time they wrote a number of books about Laura and her books and her life Living Up the Road from Laura Ingalls With Excerpts from Seven Books about Her is a sampler of some of those books along with the story of their personal life in the Ozarks They found out that living up the way from Laura s place led to much the same way of life As she so well stated I believe we would be happier to have a personal revolution in our individual lives and go back to simpler living and more direct thinking It is the simple things of life that make living worthwhile the sweet fundamental things such as love and duty work and rest and living close to nature
