Samson's Shadow Ernest W. Cockrell,2024-01-19 The primary characters of this novel the vicar churchwarden and Thomson took life within my wonderings on the death of my bishop and do not represent any persons living or dead that I have known in my life Some of the other characters in the novel do reflect specific people though never from confession of course and I offer their words experiences and wisdom as a tribute to them and to the integrity and struggles of their own journey This novel makes use of fiction to investigate questions raised by males young middle aged and older as they undergo the difficult lifelong metamorphosis into manhood engaging one primary issue as a paradigm for the many unique and deeply personal issues which confront each man along his journey
