Looking At Cars:

Cars We Love Brian Earnest, 2011-06-23 From the foreword these cars aren't rare or unique but they have other things going for them Sometimes they were the subject of amazing restorations or rescue efforts Sometimes against all odds they remained in one family for generations or were babied to extremes and today have ridiculously low totals on their odometers These are the cars that have stories They might not have been amazing when they were new but they are unique now because of the lives they've lived and the owners who have sat in their driver's seats They've got history and if they could talk what amazing tales they could tell us

Cars George Bowering, Ryan Knighton, 2002 It's not where you're going but how you get there Everyone's got a good story to tell about cars a funny fender bender a bad cab ride awkward amorous acrobatics But the stories we tell about cars tell even more about ourselves You'll see what we mean in *Cars* George Bowering one of Canada's Grand Prix writers and Ryan Knighton a young writer just entering the race realized that they could tell the stories of their lives and friendship through the automobiles that have driven them Now these aren't your ordinary boys and cars stories There's no drag racing or cruising for chicks In fact George likes to drive pretty slowly and Ryan who is now blind doesn't drive at all But they take turns in the literary driver's seat bantering and fender nudging so their stories curve and tangle like a BC highway until what emerges is a poignant hilarious conversation Boiling fish in the radiator jousting with a forklift cabbing with Doris Lessing in one hundred panels that's fifty each George and Ryan tell the tales of their friendship families friends and loves all illuminated by the dashboard light *Cars* is an auto biography that'll chauffeur you through the intersection of the lives of two of Canada's most exciting writers

Wild About Muscle Cars J. Poolos, 2007-07-15 Introduces the powerful midsize cars from the late 1950s through the 1970s known as muscle cars and discusses what they look like their history the three most popular models muscle car events and related topics
