Looking For Mary Gabriel:

Looking for Mary Gabriel Carole Lawrence, 2005-08-22 In the tradition of Carson McCullers the author uses her own experience growing up with a mentally ill sister to pen this intensely moving novel Set in the heart of the deep South Looking for Mary Gabriel is the story of Bonita a young girl who desperately wants her family to be normal despite their strange behavior Bonita's little sister Mary does not act like the other neighborhood kids and Bonita vacillates between adoring her sister and hating her Likewise Bonita's mother is not exactly as warm and loving as one would hope a mother should be And Bonita's father's motives are suspect to say the least Almost inevitably a tragic act of violence shatters the family forever As this exquisitely written novel opens Bonita is preparing to bury her father and is looking back on a life that was shaped by secrets madness and lies This is a novel that will be passed along from friend to friend for Looking for Mary Gabriel captures perfectly the lonely young girl whose ultimate triumph over her unlucky past enriches all read of her *Hay & Stardust*

Women and the Gender of God Amy Peeler, 2022-10-04 A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible's frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of

Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023 **Luke** F. Scott Spencer, 2019-04-30 The story Luke tells in his gospel says F Scott Spencer is a compelling complex narrative confession of faith in God To what degree anyone joins Luke in that faith journey is up to them but any responsible interpreter must attend considerately to Luke s theological roadmap In this latest addition to the Two Horizons New Testament Commentary series Spencer integrates close textual analysis of Luke s unfolding narrative with systematic theology spiritual formation philosophical inquiry and psychological research With section by section commentary Spencer highlights the overriding salvific message that runs through Luke s gospel Pastors scholars and students alike will benefit from Spencer s insight into Luke s theological significance
