These events lead her to conclude that something must be done to change her life. With the help of her friend Susie, she decides to venture into the uncertain world of dating. Here she encounters a variety of people and situations, hilarious or humiliating, in her search for a new partner. The search takes place against the backdrop of her increasingly complex relationship to her daughter Cathy and her family. Meanwhile, on the dating front, she meets Oliver, a widower and a no-hoper who, through persistence and a degree of change, enters Effie's social life. A cluster of circumstances precipitates her into a shocking crisis within the family, which slowly evolves with the help of friend Susie and the keeping of a diary towards a resolution. The mood of the story is essentially light, compassionate, and humorous, as Effie explores her strengths and obvious weaknesses both as an older woman negotiating the choppy waters of dating and also as a parent managing her relationship to grown-up children.

The Great Equalizer Rick Borsten, 2015-05-12 Rick Borsten's extraordinary first novel tells the story of Benny Horowitz, a young man who, terrified of the prospects of life after commencement, drops out of college just two weeks before graduation and finds a temporary job working at a halfway house for eight mentally challenged adults whose deviant and inappropriate behavior he is charged with reshaping. It isn't long, however, before Benny begins to appreciate the uniqueness of each of the residents' personalities and the richness of their worlds and discovers that it is he, not they, who is being reshaped and reshaped by one resident in particular, Nadia Christov, a mysterious 26-year-old artist. It is Nadia's rare ability to see the world with fresh eyes, to appreciate the natural wonders surrounding her everywhere and all the time, that finally convinces Benny it is she who holds the keys to the greatest of his post-commencement fears. While Benny's story is unfolding, a series of flashbacks traces his unusual family history, beginning with his grandfather Joseph, who comes to America from Poland in the early 1900s and whose pessimistic vision of death as life's great equalizer is transformed over three generations into one of hope, renewal, and wonder. Like Alice Walker's *The Color Purple*, *The Great Equalizer* is a book to cherish for it nourishes the spirit by reminding us of the transformational power of love.

In the Best Interest of Students Kelly Gallagher, 2023-10-10 In his new book *In the Best Interest of Students: Staying True to What Works in the ELA Classroom*, teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well. He takes the long view, reminding us that standards come and go, but good teaching remains grounded in proven practices that sharpen students' literacy skills. Instead of blindly adhering to the latest standards movement, Gallagher suggests increasing the amount of reading and writing students are doing while giving students more choice around those activities. Balancing rigorous, high-quality literature and non-fiction works with student-selected titles, encouraging readers to deepen their comprehension by moving beyond the four corners of the text, planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genres, using modeling to enrich students' writing skills in the prewriting, drafting, and revision stages, resisting the de-emphasis of narrative and imaginative reading and writing. Amid the frenzy of trying to teach to a new set of standards, Kelly

Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students
