Ten Ladies of Joy George Ryley Scott, 1929 **The Direct System of Ladies' Cutting** Thomas Hiram Holding, 1901

A Lady's Secret Jo Beverley, 2008-04-01 When Robin Fitzvitry the fun loving Earl of Huntersdown encounters a cursing nun in a French inn he can t resist the mystery He offers to help Sister Immaculata reach England expecting amusement on the tedious journey home from Versailles Petre d Avernio is not exactly a nun though she has spent years in an Italian convent with her mother whose death has left her in danger She must find the only person who might protect her her true father an English lord who does not know she exists The gorgeous earl Robin Fitzvitry will be a dangerous ally but she s glimpsed her pursuers and must race to the coast She will resist him use him and eventually escape him with her virtue and secrets intact she hopes **Ladies Fair and Frail** Horace Bleackley, 1909 *Sarah Millican - The Queen of Comedy: The Funniest Woman in Britain* Tina Campanella, 2017-09-07 Married and working as a civil servant in a job centre Sarah Millican s life couldn t have been more ordinary just over a decade ago However after the sudden break up of her marriage she decided to try something new and sign up for a writing workshop It was to mark the beginning one of comedy s greatest success stories Growing up as a child of the Miners Strike which caused immense financial hardship for her family and a

victim of bullying Sarah's early years were far from easy She had always been clever and creative but had never managed to find the outlet for it It wasn't until her thirties that she was finally recognised in spectacular fashion as she went on to win the Best Newcomer Award after the Edinburgh Fringe Festival in 2008 A few years later her first DVD's sales broke all records for a female comedian Sarah's brand of Geordie warmth and humility mixed with a natural edginess and willingness to talk about all aspects of everyday life has won her millions of fans She manages to push the boundaries while still seeming like your best friend and it remains the great secret of her success She is well on her way to national treasure status This is the story of how a shy unassuming woman from South Shields became the Queen of British comedy *The Lively Lady Townshend and Her Friends* Erroll Sherson,1927 Women and Nature Glenda Riley,1999-01-01 Long before Rachel Carson's fight against pesticides placed female environmental activists in the national spotlight women were involved in American environmentalism In *Women and Nature Saving the Wild West* Glenda Riley calls for a reappraisal of the roots of the American conservation movement This thoroughly researched study of women conservationists provides a needed corrective to the male dominated historiography of environmental studies The early conservation movement gained much from women's widespread involvement Florence Merriam Bailey classified the birds of New Mexico and encouraged appreciation of nature and concern for environmental problems Ornithologist Margaret Morse Nice published widely on Oklahoma birds In 1902 Mary Knight Britton established the Wild Flower Preservation Society of America Women also stimulated economic endeavors related to environmental concerns including nature writing and photography health spas and resorts and outdoor clothing and equipment From botanists birders and nature writers to club women and travelers untold numbers of women have contributed to the groundswell of support for environmentalism **A Lady of Persuasion** Tessa Dare,2009-09-29 Tessa Dare spins a witty wanton tale of passion and conquest as a reformer and a rake find unexpected love Only one thing could convince Sir Tobias Aldridge an incorrigible libertine to profess undying fidelity to a woman he's just met Revenge What better way to get back at an enemy than by stealing the scoundrel's sister Not that Toby finds it a chore seducing a beguiling sultry beauty freshly arrived from the West Indies When the prize is Isabel Grayson vengeance is doubly rewarding Isabel is determined to marry a wealthy powerful lord and become a lady of influence using her rank and fortune to fight social injustice Sir Toby with his paltry title and infamous reputation is unsuitable husband material but he makes her blood race her heart pound and her long buried passions come to the surface If she can reform the charming devil she'll get exactly what she craves society's respect But it's a dangerous gamble For if Toby wins this battle of persuasion Isabel could lose her heart **Women Adventurers, 1750-1900** Mary F. McVicker,2015-05-07 The past quarter century has seen a number of biographies and anthologies on women travelers but to date there has been little comprehensive reference work done on the travelers themselves Some of the women were eccentric many were very adventurous some were in search of a different world British women make up the largest portion of the book's focus these particular adventurers being backed in

many cases by family money scientific inquiry and the ready availability of the British seafaring tradition Entries include the woman s family background her educational history and a summary of her world travels with in many cases evocative extracts from their writings many are literary gems **Complicated Women** Mick LaSalle,2014-08-05 Between 1929 and 1934 women in American cinema were modern For five short years women in American cinema were modern They took lovers had babies out of wedlock got rid of cheating husbands enjoyed their sexuality led unapologetic careers and in general acted the way many think women only acted after 1968 Before then women on screen had come in two varieties good or bad sweet ingenue or vamp Then two stars came along to blast away these common stereotypes Garbo turned the femme fatale into a woman whose capacity for love and sacrifice made all other human emotions seem pale Meanwhile Norma Shearer succeeded in taking the ingenue to a place she d never been the bedroom Garbo and Shearer took the stereotypes and made them complicated In the wake of these complicated women came others a deluge of indelible stars Constance Bennett Ruth Chatterton Mae Clarke Claudette Colbert Marlene Dietrich Kay Francis Ann Harding Jean Harlow Miriam Hopkins Dorothy Mackaill Barbara Stanwyck Mae West and Loretta Young all came into their own during the pre Code era These women pushed the limits and shaped their images along modern lines Then in July 1934 the draconian Production Code became the law in Hollywood and these modern women of the screen were banished not to be seen again until the code was repealed three decades later Mick LaSalle film critic for the San Francisco Chronicle takes readers on a tour of pre Code films and reveals how this was the true golden age of women s films and how the movies of the pre Code are still worth watching The bold pioneering and complicated women of the pre Code era are about to take their place in the pantheon of film history and America is about to reclaim a rich legacy *LOOSE WOMEN: Here Come the Girls* Loose Women,2009-10-15 It s that time of year again the clocks go back you ve ditched the bikini diet lost your other half to the football and it s blooming freezing Winter can seem bleak but the award winning Loose Women girls are here to help get you through Packed with brand new exclusive content this warm honest and jaw achingly funny book is a must have for all Loose Women fans The nation s favourite feisty females open up on the trickiest of seasonal dilemmas including office party disasters detox vs retox surviving heartbreak at Christmas and a stocking full of saucy confessions Just like a night out with the girls and brimming with all new wit wisdom and hilarious stories this book is the perfect tonic for those cold winter nights So grab a warm mug of hot chocolate snuggle up on the sofa and be reminded of the things that really matter in life with a little help from the girls
