

A person is seen from behind, sitting on a wooden dock that extends into a calm lake. The person is wearing a dark jacket. The lake's surface is still, reflecting the surrounding landscape. In the background, there are steep, rocky mountains with patches of snow or light-colored rock. The sky is overcast and grey. The overall mood is contemplative and serene.

**and a Man!** Eliza Peppers,2022-02-22 This book is about the MEMES the author learned about Christ God to build a relationship with him She learned the fundamentals of a man God made in his own image She believes once a person knows the basics of anything then the process is made easier to deal with the relationships she learned from and what she did wrong in the relationships how she came to know Christ and how she learned a man through Christ She thinks a lot of women struggle with relationships because they do not know the basics of a man      **Praying Through Your Pregnancy** Jennifer Polimino,Carolyn Warren,2010-03-12 Praying Through Your Pregnancy shows a mother how to provide an early head start for her child through the power of prayer With fresh spiritual insight each chapter reveals what is happening with the baby s development that week starting with the very first moment of conception when God begins the creation of either a boy or a girl Readers will learn how the confidence they place in God affects the healthy development of their precious growing baby and how to reduce their own stress and anxiety by looking to the Creator In this interactive guidebook the author shares excerpts from her pregnancy journal as an encouragement for women to write their own thoughts and feelings and each chapter ends with a Mother s Prayer and Scriptures for Meditation Praying Through Your Pregnancy was a 2011 Christian Book Award Finalist      Trust Me! Katie Helm,2009-06 An exciting passionate thread of awareness of God s love and presence is woven throughout this author s life story When did her unique spiritual journey begin Was its source from imagining levitating from her bed at age three Peering on tiptoe into her beloved grandmother s coffin at age five Sitting on her blind grandfather s knee awed by his reading a Braille Bible Or holding her cousin s dying baby as they were rushed from the crash scene to the hospital At a very early age this delightful little girl with curly red hair and matching freckles became

convinced that God knew her and loved her However there was scant evidence of her being special in a busy family with nine children moving from place to place following her dad s passion for the excitement of another oil boom It is a candid story of a recklessly begun marriage of passion maturing into a solid and enduring love This same passionate thread is strong bright and binding as she follows God s bidding to become a foster parent yet later watches helplessly in horror as her lovely virtuous daughter becomes a victim of violent spouse abuse The reader will find an inspiring journey of growing faith meeting all the challenges life can throw at her including three bouts with cancer adopting a troubled teenager and caring for her aged mother diagnosed with Alzheimer s disease Yet that same passionate thread darkens and becomes frayed almost to the breaking point as she describes the Great Divide Readers will immediately identify and recall their own black hole as she describes an ordeal that left an ugly gaping tear in her heart Your heart will run skip and jump as you relive this redhead s adventurous journey of faith
