National Bibliography Arthur James Wells,2007 **Todd Solondz** Julian Murphet,2019-08-16 Films like Welcome to the Dollhouse and Happiness established Todd Solondz as independent cinema s premier satirist Blending a trademark black humor into atmospheres of grueling bleakness Solondz repeatedly takes moviegoers into a bland suburban junk space peopled by the damaged the neglected and the depraved Julian Murphet appraises the career of the controversial if increasingly ignored indie film auteur Through close readings and a discussion with the director Murphet dissects how Solondz s themes and techniques serve stories laden with hot button topics like pedophilia rape and family and systemic cruelty Solondz s uncompromising return to the same motifs stylistic choices and characters reject any idea of aesthetic

progression Instead he embraces an art of diminishing returns that satirizes the laws of valuation sustaining what we call cinema It also reflects both Solondz s declining box office fortunes and the changing economics of independent film in an era of financial contraction The Hobbit Poster Collection Alan Lee,2014-10-23 A portfolio of six oversized paintings from The Hobbit illustrated by award winning artist and The Lord of the Rings and The Hobbit Movie Trilogy film designer Alan Lee individually printed on heavyweight stock suitable for framing First published on 21st September 1937 The Hobbit is a beloved children s classic that is widely recognized as an international bestseller It has now been adapted into an acclaimed film trilogy by Peter Jackson starring Martin Freeman as Bilbo Ian McKellen as Gandalf Andy Serkis as Gollum and Benedict Cumberbatch playing both Smaug the Dragon and the Necromancer Renowned Tolkien artist Alan Lee played a decisive role in shaping Jackson s vision of The Hobbit and much of the look of the films can be traced back to the 25 paintings and wealth of pencil drawings that Alan produced for the illustrated 60th anniversary edition of the book The six pictures contained in this poster collection are taken from those paintings and at 450 x 293mm are large enough to be suitable for hanging or mounting offering you the chance to enjoy a window into Middle earth in your own home Beyond the Box T. H. Cooney,2017-04-18 Everyone loves movies right But I love them so much I can t help but delve deep into them I have a system for understanding what makes a great movie my movie peeves or it could just be my opinion It s just a movie don t take it so seriously people say Well to that I say ha People mistake those who love movies for nitpickers In fact we adore movies so much that we practically have love affairs with them and appreciate them in unimaginable ways So join me as we delve into the world s most powerful influential art appreciate its legacies and ultimately learn my theories as to why so many stinkers are hitting our screens lately Learn some fascinating facts about old and new movies Understand how much a part of our lives the movie industry is See the movies you know and love in a whole new light Realise how the value of movies is a delicious banquet constantly being ravaged by the economy and therefore sadly suffering But we still love them always
