Lordship And Discipleship:

Lordship Vs Discipleship Dr. James W. Huntley, 2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level *Lordship and Discipleship* Eduard Schweizer, 1960 The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the meaning of God's acts for our existence and in Japan perhaps in quite different terms Publisher from the 2012 edition **Lordship Salvation** Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy There is no more important issue than how to become a Christian Lordship Salvation is a view that has confused many people about the nature of the gospel itself Based on a Ph D dissertation this is an academic and biblical response to the Lordship view The crucial issues of faith repentance lordship and discipleship Over 65 important passages explained A helpful Scripture index Can be used as a textbook Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation Read it use it as a Bible study reference or teach from it it is a valuable resource in a critical and controversial issue Charles C Bing obtained his Ph D from Dallas Theological Seminary As founder and president

of GraceLife Ministries he is active as an author conference speaker and adjunct professor

DeSiano, 2003 DeSiano begins with the question What does God ask of us He answers God asks us to be disciples to follow Jesus with our hearts our minds and our strength within a community of faith He looks at holiness and spirituality from the point of view of discipleship being invited on a journey and being able to persevere on the road until life s fulfillment He sketches a spiritual path that is neither rigid nor lax and that all can follow Book jacket

Lord, Disciple Me Richard Mull, 2005-04 Jesus commanded all of his disciples to go and make disciples of all nations This book dares you to examine how Jesus Himself made disciples What is discipleship according to Jesus Can the church today possess the power of the early church Does God still use His people to heal the sick Are miracles and deliverance still part of Jesus disciple making agenda Richard Mull s honest account of his personal journey toward biblical discipleship presents a dilemma for twenty first century believers Will you adopt a system of belief that explains why we disciple differently than Jesus did or admit that in spite of our education and experience we may not be making disciples according to Jesus teaching God desires to take you on a journey much like that of Jesus first disciples who learned to do what Jesus was doing by observing Him in action and obeying what He taught Lord Disciple Me will challenge you to develop a biblical foundation for your journey Jesus will provide the hand on experience

Deep Discipleship J.T. English, 2020-09-29 Everyone is being disciplined The question is what is discipling us The majority of Christians today are being disciplined by popular media flashy events and folk theology because churches have neglected their responsibility to make disciples But the church is not a secondary platform in the mission of God it is the primary platform God uses to grow people into the image of Jesus Therefore as church leaders it is our primary responsibility to establish environments and relationships where people can be trained grow and be sent as disciples There are three indispensable elements of discipleship Learning to participate in the biblical story the Bible Growing in our confession of who God is and

who we are theology Regularly participating in private and corporate intentional action spiritual disciplines Deep Discipleship equips churches to reclaim the responsibility of discipling people at any point on their journey **Basic Discipleship** Floyd McClung, Dale Larsen, Sandy Larsen, 1996 The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church's Great Omission The word disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24/7 life with Jesus **Making Him L.O.R.D.** Guy Caskey, 2020-07-17 Making Him L O R D is a book about allowing God to control your life in such a way that there are incredible results You know brothers and sisters that our visit was not without results 1 Thessalonians 2:1 The Bible refers to results as Christ expressing His Life in and through you Some may refer to this as fruit work multiplication or movement All of those are appropriate ways to describe how God wants to cover the earth with His Glory From the very beginning we want to be honest with the admission that this cannot be done on our own but can only be done by Christ's power A life surrendered to God is a vessel used by God to accomplish His Vision L O R D is an acrostic that stands for Living Out Reproducible Discipleship If you want your life to echo throughout the halls of eternity this is a book for you Our Master and King has set forth the plan and purpose are His chosen instruments This book is about a captivating vision held by many Kingdom minded citizens who desire that none shall perish This is the Father's heart Disciples Are Made Not Born Walter A. Henrichsen, 2011-09-01 Make Disciples Jesus command is clear But what is a disciple And how are we to make them Based on decades of experience this book explains and illustrates the process of disciple making that Jesus taught and modeled First published in 1974 its practical biblical approach has revolutionized the ministry of hundreds of thousands of Christians as they learned how to multiply themselves in the lives of others Disciple

making is challenging to be sure But as we are faithful to Christ s Great Commission we ll experience the fulfillment that comes from being faithful to the life mission to which God has called us **Lord Teach Us to Pray** Rev. Fr. Jeffrey Kirby,2014 Echoing the petition of the disciples Lord teach us to pray this book guides the reader through the challenges of discipleship and the various stages of prayer Fr Kirby lovingly and expertly examines this crucial petition shedding light on its three parts the call to follow the Lord to live virtuously and to pray while laying out a course for growing in discipleship and strengthening the interior life Here's How Lee Brown,2013-06 How many times have you been told you should do some particular thing in your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don t know what that looks like in a real and practical sense In this book you ll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you ve been following Christ all your life or you re just taking your first steps Here s How will show you the path to true discipleship *Discipleship and the Lordship of Christ* Leland M. Haines,1991 **Kingdom Discipleship: Becoming Like Jesus** Frederick Osborn,2016-02-22 Kingdom Discipleship The way of Kingdom Discipleship is not one of several options for Christians to choose from There is no other offer being made Jesus made it clear to all who want to follow Him that they must follow Him on HIS terms alone or they will never make it until the end Being a disciple of Jesus is the ONLY way to become all that we are intended to be We who were saved from the world are on the way to becoming fully formed into god s image and Kingdom Discipleship is the means to that end Kingdom Discipleship is what Jesus taught His disciples It is the way to the life of Christ abiding within the heart of the believer Since introducing the Study Guide on Kingdom Discipleship it is being taught in churches and small group studies as part of discipleship training This book is intended to be a companion to the Study Guide They can be used together or separately for individual or group study **Come, Follow Me** Christopher N. White,2013-02 Come Follow Me Becoming Disciples and Members of the Body of Christ is a call to radical commitment to Jesus and to neglected Scriptural revelation about His church its ministries and gifts and the Holy Spirit s empowerment of every Christian to an active irreplaceable role Christopher White is an evangelist and campus minister based in New York City preaching and teaching there and in Colombia South America A graduate of Yale and Columbia Universities he is a member of the Luis Palau Association s Next Generation Alliance
