everyday normative violence that serve as preconditions for political violence This study deconstructs intersectional processes of racially and sexually normative subject formation and its oppositional other ghostly erasure that are framed by a common temporal logic wherein full citizenship is contingent upon a nation's dominant notions of contemporaneity and whether individuals properly inhabit prescriptive timelines of reproductivity St Georges's study explores ways in which ghosts and families are manipulated in each national imaginary as a strategy for negotiating volatility within symbolic order a tactic that can either naturalize or challenge normative discourses As a literary and cinematic trope ghosts are particularly useful vehicles for the exploration of national imaginaries and the dominant or competing cultural attitudes towards a country's history and thus the articulation of a present political reality The rhetorical figure of the family is also key in this process as a mechanism for expressing national allegories for expressing generational anxieties about a nation's relationship to time and for organizing societies and social subjects as such interpellating them into or excluding them from national imaginaries By proposing these specific coordinates ghosts and families and by mapping their relationship between Spain and Latin America Troubling Timelines proposes a study of a temporal framework that besides bridging the traditional area studies divide across the Atlantic creates a space for interdisciplinary inquiry while also responding to increasing demand for studies that focus on intersectionality

Los inocentes al poder Daniel Mansuy, 2025-07-01 Daniel Mansuy analiza el gobierno de Gabriel Boric y repasa la d cada del Frente Amplio en el poder C mo es posible gobernar cuando la pulsi n por la pureza moral supera el sentido de lo pol tico Qu ocurre cuando la espontaneidad se impone sobre la solemnidad institucional En este breve pero contundente ensayo Daniel Mansuy propone a partir de un minucioso diagn stico una mirada cr tica sutil y a la vez frontal del fen meno generacional que llev al Frente Amplio al poder y al presidente Gabriel Boric a la Presidencia de la Rep blica Lejos de

cualquier análisis de índole coyuntural en Los inocentes al poder su autor reflexiona y pone en cuestión el modo en que una nueva izquierda nacida al calor de las protestas estudiantiles de 2011 desconfiada de las instituciones tradicionales y aferrada a la transparencia como virtud central asumió el poder sin renunciar del todo al impulso original que la definió. A partir de un episodio clave la extensa conferencia de prensa del 18 de octubre de 2024 en que el presidente Boric decidió enfrentar en solitario un caso explosivo dentro de su gobierno Mansuy despliega una indagación que va más allá de lo que ocurrió en esa eterna y fatídica conferencia retratando a una generación que valora el testimonio por sobre el programa la coherencia personal y la escenificación de la sinceridad por sobre el ejercicio del poder. Con ello el autor dibuja el mapa de una generación política marcada por el deseo de pureza incapaz de asumir cualquier costo político y forjando en suma una ética que prefiere la fidelidad al yo antes que el compromiso con lo común. Una forma de habitar lo institucional en detrimento de lo político.

Lies/Mentiras Agustín S. Contin, 2014-09-20. For too many centuries the Catholic Church has been teaching lies to the innocent people who apparently are unable to think clearly for themselves. Catholic clergymen pretend to be representatives of God with power to forgive the sins of other human beings and also to transform the host and the wine into the body and blood of Jesus Christ in order for the faithful to eat and drink it as cannibals. They also pretend that their mass is a repetition of the sacrifice of Jesus on the cross when Jesus died and resurrected almost two thousand years ago. They are also teaching several other lies wanting people to accept the great number of saints and virgins who really are just dead people. God the Father forbids us to communicate with dead persons without exception. The most important lies are refuted in this book not by the author but by the Bible and the Gospels because The Bible never lies. Durante muchos siglos la Iglesia Católica ha enseñado
