Losing Battles 1st Edition

Noel Polk

Losing Battles 1st Edition:

Battles and Leaders of the Civil War Robert Underwood Johnson, Clarence Clough Buel, 1888 **Battles and Leaders of the Civil War: The tide shifts** Robert Underwood Johnson, Clarence Clough Buel, 1888 **Battles and Leaders of the Civil War V2 - The Struggle Intensifies** Robert Underwood Johnson, Clarence Clough Buel, 2010-04 Robert Underwood Johnson Opens with the siege and capture of Fort Pulaski the capture of New Orleans and a summary of operations in the far southwest Chronicled are Lee s campaign against the second Battle of Bull Run Antietam and finally the battles at Luka and Cori *Battles and Leaders of the Civil War* ,1888 **Germany's Defeat in the First World War** Mark D. Karau, 2015-05-12 A noted World War I scholar examines the critical decisions and events that led to Germany s defeat arguing that the German loss was caused by collapse at home as well as on the front Much has been written about the causes for the outbreak of World War I and the ways in which the war was fought but few historians have tackled the reasons why the Germans who appeared on the surface to be winning for most of the war ultimately lost This book in contrast presents an in depth examination of the complex interplay of factors social cultural military economic and diplomatic that led to Germany s defeat The highly readable work begins with an examination of the strengths and weaknesses of the two coalitions and points out how the balance of forces was clearly on the side of the Entente in a long and drawn out war The work then probes the German plan to win the war quickly and the resulting campaigns of August and September 1914 that culminated in the devastating defeat in the First Battle of the Marne Subsequent chapters discuss the critical factors and decisions that led to Germany s loss including the British naval blockade the role of economic factors in maintaining a consensus for war and the social impact of material deprivation *Battles and Leaders of the Civil War: and 4* Robert Underwood Johnson, Clarence Clough Buel, 1888 Battles and Leaders of the Civil War Clarence Clough Buel, Robert Underwood Johnson, 1888 God's Last Words David S. Katz, 2004-02-09 This wide ranging book is an intellectual history of how informed readers read their Bibles over the past four hundred years from the first translations in the sixteenth century to the emergence of fundamentalism in the twentieth century In an astonishing display of erudition David Katz recreates the response of readers from different eras by examining the horizon of expectations that provided the lens through which they read In the Renaissance says Katz learned men rushed to apply the tools of textual analysis to the Testaments fully confident that God s Word would open up and reveal shades of further truth During the English Civil War there was a symbiotic relationship between politics and religion as the practical application of the biblical message was hammered out Science Newtonian and Darwinian as well as the emerging disciplines of anthropology archaeology and geology also had a great impact on how the Bible was received The rise of the novel and the development of a concept of authorial copyright were other factors that altered readers experience Katz discusses all of these and more concluding with the growth of fundamentalism in America which broug **Grand Army of the Republic Almanac ...** ,1879 **The Century** ,1888 Scribner's Monthly, an

Illustrated Magazine for the People ,1888 *Lost Battles* Philip Sabin,2015-02-05 From the author s introduction Ancient battles seize the modern imagination Far from being forgotten they have become a significant aspect of popular culture prompting a continuing stream of books feature films television programs and board and computer games there is a certain escapist satisfaction in looking back to an era when conflicts between entire states turned on clear cut pitched battles between formed armies lasting just a few hours and spanning just a few miles of ground These battles were still unspeakably traumatic and grisly affairs for those involved at Cannae Hannibal s men butchered around two and a half times as many Romans out of a much smaller overall population as there were British soldiers killed on the notorious first day of the Somme However as with the great clashes of the Napoleonic era time has dulled our preoccupation with such awful human consequences and we tend to focus instead on the inspired generalship of commanders like Alexander and Caesar and on the intriguing tactical interactions of units such as massed pikemen and war elephants within the very different military context of pre gunpowder warfare *Lost Battles* takes a new and innovative approach to the battles of antiquity Using his experience with conflict simulation Philip Sabin draws together ancient evidence and modern scholarship to construct a generic grand tactical model of the battles as a whole This model unites a mathematical framework to capture the movement and combat of the opposing armies with human decisions to shape the tactics of the antagonists Sabin then develops detailed scenarios for 36 individual battles such as Marathon and Cannae and uses the comparative structure offered by the generic model to help cast light on which particular interpretations of the ancient sources on issues such as army size fit in best with the general patterns observed elsewhere Readers can use the model to experiment for themselves by re fighting engagements of their choice tweaking the scenarios to accord with their own judgment of the evidence trying out different tactics from those used historically and seeing how the battle then plays out *Lost Battles* thus offers a unique dynamic insight into ancient warfare combining academic rigor with the interest and accessibility of simulation gaming This book includes access to a downloadable computer simulation where the reader can view the author s simulations as well create their own **The**

Long Win - 1st edition Cath Bishop,2020-10-13 Powerful and profound Matthew Syed Anyone interested in motivation should read this book and think deeply Margaret Heffernan Selected as one of the Financial Times s Best Business Books of 2020 THE PEOPLE BOOK PRIZE 2022 23 SHORTLISTED TITLE In this fascinating examination of our widespread obsession with winning Cath Bishop draws on her personal experience of high performance environments to trace the idea of winning through history language and thought to explore how it has come to be a defining concept in fields from sport to business from politics to education Faced with the challenges and opportunities of the 21st century Cath offers a new broader approach *The Long Win* Cath competed as a rower at three Olympic Games becoming the first British woman to win the World Championships and an Olympic medal in the coxless pairs event As a senior diplomat Cath worked on policy and negotiations specializing in stabilization policy for conflict affected parts of the world In business Cath has acted as a coach

and consultant advising on team and leadership development and organizational culture and teaches on the Executive Education Faculty at the Judge Business School Cambridge University In this book she brings that extraordinary mix of experience to examine what winning has come to mean to society and to us as individuals and offers a fresh perspective on how we might redefine success personal and professional for the longer term Looking at life from a different point of view is a rare skill Built on in depth research and broad experience as well as original thought this book will change your outlook on everything Clare Balding OBE This book is so relevant timely and exciting for any person or organization wanting to investigate what success means to them It couldn't be a more relevant book right now and Cath's exceptional ability in so many areas of life make it a gripping read with a lot of key takeaways whatever your area of interest I wish every leader could immediately read this book as the world would be a better place if they did Goldie Sayers Olympic Medallist in the Javelin Coach I love this book It is a must read for educators business executives policy makers politicians and indeed anyone who wants to understand why we need a new narrative around winning and success We need a lot more Long Win Thinking in our homes businesses and institutions and Cath's book is the place to go to find out why and how we get there Dame Helena Morrissey National Union Catalog, 1983 *Rules for Rebels* Max Abrahms, 2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there's a science to victory in militant history But even rebels must follow rules

Civil War Flags of Tennessee Stephen Douglas Cox, 2024-01-12 Civil War Flags of Tennessee provides information on all known Confederate and Union flags of the state and showcases the Civil War flag collection of the Tennessee State Museum This volume is organized into three parts Part 1 includes interpretive essays by scholars such as Greg Biggs Robert B Bradley Howard Michael Madaus and Fonda Ghiardi Thomsen that address how flags were used in the Civil War their general history their makers and preservation issues among other themes Part 2 is a catalogue of Tennessee Confederate flags Part 3 is a catalogue of Tennessee Union flags The catalogues present a collection of some 200 identified extant Civil War flags and another 300 flags that are known through secondary and archival sources all of which are exhaustively documented Appendices follow the two catalogue sections and include detailed information on several Confederate and Union flags associated with the states of Mississippi North Carolina and Indiana that are also contained in the Tennessee State Museum collection Complete with nearly 300 color illustrations and meticulous notes on textiles and preservation

efforts this volume is much more than an encyclopedic log of Tennessee related Civil War flags Stephen Cox and his team also weave the history behind the flags throughout the catalogues including the stories of the women who stitched them the regiments that bore them and the soldiers and bearers who served under them and carried them Civil War Flags of Tennessee is an eloquent hybrid between guidebook and chronicle and the scholar the Civil War enthusiast and the general reader will all enjoy what can be found in its pages Unprecedented in its variety and depth Cox s work fills an important historiographical void within the greater context of the American Civil War This text demonstrates the importance of Tennessee state heritage and the value of public history reminding readers that each generation has the honor and responsibility of learning from and preserving the history that has shaped us all and in doing so honoring the lives of the soldiers and civilians who sacrificed and persevered *Korean Battle Chronology* Richard E. Ecker,2015-05-07 On June 28 1950 five U S airmen died when their aircraft were shot down over Korea They became the first U S casualties in a war that started three days earlier when the North Korean People s Army crossed the 38th parallel and invaded the Republic of South Korea The losses of U S military personnel that began with those five airmen would continue for 37 months and would ultimately total 33 985 American fatalities and more than 100 000 other American casualties This is a history of U S involvement in the Korean War as told through those casualties by the dates they occurred their causes their numbers and the units in which they served and through all Medal of Honor citations given in full The work is subdivided into three units The Peninsular War Active Defense and The War of the Hills *Eudora Welty--a bibliography of her work* Noel Polk,1993-01-01 **World War II: Battle of the Bulge** C. David North,2015-12-30 The Battle of the Bulge was arguably the most pivotal and bloodiest battle of World War II From the middle of December 1944 to January 25 1945 more than a million Allied and German troops fought for control of Belgium France and Luxembourg The bitter conflict ended with more than 200 000 dead and wounded on both sides The German counteroffensive was Adolf Hitler s last gasp born out of desperation as he came to grips with reports that the Third Reich was losing ground in battlefields across Europe Even in its weakened state Germany s assault took Allied leaders by surprise Hitler had correctly calculated that the Allied armies had moved too rapidly The troops were not only undersupplied but unprepared for a surprise attack Hitler was betting that a victory would allow Germany to negotiate for peace on its terms He was almost right If not for the bravery of American troops who against all odds held up the German attack and quick decisions made by General Dwight B Eisenhower history may have taken a much different turn This is the story of World War II s final showdown [Books for College Libraries: Language and literature](#) ,1988
