Losing Faith In Faith From Preacher To Atheist Paperback:

Losing Faith in Faith Dan Barker, 1992 Dan Barker's dramatic journey from devout soul winner to one of America's most prominent freethinkers After 19 years of evangelical preaching ordained minister associate pastorship missionary to Mexico cross country evangelism Christian songwriter Dan Barker threw out the bathwater and found there is no baby there A challenge to believers and an arsenal for skeptics

The Quotable Atheist Jack Huberman, 2008-03-03 Surprisingly no book of quotations on God and religion by atheists and agnostics exists Luckily for the millions of American nonbelievers who have quietly stewed for years as the religious right made gains in politics and culture the wait is over Bestselling author Jack Huberman's zeitgeist sense has honed into the backlash building against religious fundamentalism and collected a veritable treasure trove of quotes by philosophers scientists poets writers artists entertainers and political figures His colorful cast of atheists includes Karen Armstrong Lance Armstrong Jules Feiffer Federico Fellini H L Mencken Ian McKellen Isaac Singer Jonathan Swift Ludwig Wittgenstein Virginia Woolf and the Marquis de Sade

The Eyes of an Atheist M. A. Neeper, 2012-07-23 Religious people have been known to push their beliefs onto others in fact several religions require it This book utilizes reason logic some psychology and the experiences of someone who has been in several hundred religious debates with believers mainly those of the Judeo Christian faiths Throughout this book you will be presented with several of the most common arguments that believers utilize in order to attempt to convert people to followers then you will be given a response that not only stops them in their religion pushing tracks but will give you the upper hand and hopefully give them something to think about aside from simply what their preacher pastor reverend etc has told them to think This book will allow you to defend yourself from others religious preachings as well as teach you something about atheism and how informed you can be as a nonbeliever It pushes the limits of religious discussion with examples from the Bible logical arguments psychological reasoning and well researched opinions Do not get caught off guard again by any believer Be ready and more informed

Losing Faith in Faith Dan Barker, 2006 Losing Faith in Faith records Dan Barker's dramatic journey from devout soul winner to one of America's most prominent freethinkers Following his calling at age 15 Dan Barker worked as a missionary ordained minister associate pastor touring evangelist Christian songwriter performer and record producer After preaching for 19 years Barker lost faith in faith Throwing out the bath water he discovered There is no baby there Today Barker co president of the Freedom From Religion Foundation Inc www.ffrf.org frequently represents freethought on the talkshow circuit and at personal appearances concerts and debates around the country turning his experience as a former minister into ammunition against superstition and irrationality In Losing Faith in Faith Barker explains why he left the ministry He also offers a definitive compelling analysis of why he rejects belief in a god and the claims of religion He explores the fallacies inconsistencies and harm of Christian doctrine and theistic dogma In its place he issues an appealing and compassionate invocation of freethought reason and humanism Losing Faith in Faith is both a challenge to believers and an

arsenal for skeptics **The Friendly Atheist: Thoughts on the Role of Religion in Politics and Media** Hemant Mehta, 2013-01-21 Every semester in the weeks leading up to final exams I hand out a study guide to all of my high school math students and have them complete it so that they have a sense of what to expect on the big test Inevitably students ask If I just study this packet will I be prepared for the exam I sigh I stare at them I give them the response every teacher knows by heart No of course the packet isn't enough You should go through your notes your homework and the textbook You should redo the examples we did in class and try more practice problems from the book The study guide is only a summary of the big ideas from the semester If you really want to understand the subject you have to go much more in depth In a sense this book is a study guide for the things I've written about over the past several years My name is Hemant Mehta and I began FriendlyAtheist.com in 2006 before I began teaching high school in order to talk about a topic I was incredibly passionate about religion Not necessarily to convince people that God didn't exist but to talk about the issues that mattered now that we were Godless What you see in this book is a compilation of posts discussing the subjects I have written the most about They are reprinted here with minimal editing to offer a glimpse into my world and to show you the concerns I've had as an American atheist That means talking about atheists who fight for their and in many respects our rights responding to people who smear us just because we're not religious and making people aware of the way atheists are viewed by the majority of Americans hint we're not very popular That means talking about politics and social issues in particular the fight for equal rights for the LGBT community since those are the major issues in our country where rational thinking free from religious tradition is needed but seldom found That means talking about the obstacles that young atheists have to deal with on a regular basis Their challenges are so different than the ones we face in the real world yet their courage inspires all of us To be a vocal atheist is never easy and there are students promoting rational thinking on campus while keeping their administrators in check They do this despite risking their social capital At the same time when those students are not around to act as watchdogs we must do it for them and shine a spotlight on illegal intrusions of religion into our public schools Are these the only issues that matter to atheists No but they are the issues that have taken up the bulk of my writing in the years since I began covering atheism related news If you want to get a fuller picture of what atheists are talking about what our activism involves and what our future looks like no single writer can do that for you just as no single study guide will prepare you for a final exam

The Homemade Atheist Betty Brogaard, 2010-03-23 In this personal memoir a former evangelical Christian shares her journey away from her confining faith toward a happier healthier nonreligious life Betty Brogaard was raised to be a good Christian By the time she was twenty years old she had joined a fundamentalist church She even met and married a young man who became a minister in the congregation However the more she came to understand Christianity from within the more she found herself asking questions instead of finding answers In *The Homemade Atheist* Betty shares her fascinating journey from the mental slavery of religion to the happiness she found in freethought Along the way and

without malice she offers questions that challenge you to analyze your own beliefs exactly as she did over her years long journey Her transformation provides a wealth of insight is for anyone seeking a path to a nonreligious way of life

How to Be a Good Atheist Nick Harding,2008-04-28 For millennia priests and holy men have told countless conflicting tales about humanity s genesis and fate while also saying anyone devoid of faith is evil immoral and responsible for societal ills For those tired of these contradictions fed up with hearing about divine mysteries when there aren t any and offended by being told they re going to hell atheism is a popular and logical answer This book contains all you need to know about what to pack for your journey on the enlightening road to atheism including explanations of the five types of atheism and the difference between an atheist and an agnostic a term invented by T H Huxley famous for his defense of Darwin as well as how a deist differs from a theist Learn why Christians were originally called atheists read about Lucretius and his fellow materialists and revel alongside atheists who happily have nothing to defend

Hope After Faith Jerry DeWitt,Ethan Brown,2013-06-25 A former Louisiana pastor s courageous memoir chronicling his conversion to atheism

Life Driven Purpose Dan Barker,2015-04-01 Every thinking person wants to lead a life of meaning and purpose For thousands of years holy books have told us that such a life is available only through obedience and submission to some higher power Today the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices all communicating this common message Life is meaningless without God In this volume former pastor Dan Barker eloquently powerfully and rationally upends this long held belief Offering words of enrichment emancipation and inspiration he reminds us how millions of atheists lead happy loving moral and purpose filled lives Practicing what he preaches he also demonstrates through his own personal journey that life is valuable for its own sake that meaning and purpose come not from above but from within

Do Historical Matters Matter to Faith? James K. Hoffmeier,Dennis R. Magary,2012-02-29 Is historical accuracy an indispensable part of the Bible s storyline or is Scripture only concerned with theological truths As progressive evangelicals threaten to reduce the Bible s jurisdiction by undermining its historical claims every Christian who cares about the integrity of Scripture must be prepared to answer this question Do Historical Matters Matter to Faith offers a firm defense of Scripture s legitimacy and the theological implications of modern and postmodern approaches that teach otherwise In this timely and timeless collection of essays scholars from diverse areas of expertise lend strong arguments in support of the doctrine of inerrancy Contributors explore how the specific challenges of history authenticity and authority are answered in the text of the Old and New Testaments as well as how the Bible is corroborated by philosophy and archaeology With contributions from respected scholars including Allan Millard Craig Blomberg Graham Cole Michael Haykin Robert Yarbrough and Darrell Bock Do Historical Matters Matter to Faith arms Christians with fresh insight arguments and language with which to defend Scripture s historical accuracy against a culture and academy skeptical of those claims

Deanhardt,2006 Forty years of letters to the editors 1960 2006 on topics of integration labor separation of church and state and secular humanism **God and the Folly of Faith** Victor J. Stenger,2012-04-03 A thorough and hard hitting critique that is a must read for anyone interested in the interaction between religion and science It has become the prevalent view among sociologists historians and some theistic scientists that religion and science have never been in serious conflict Some even claim that Christianity was responsible for the development of science In a sweeping historical survey that begins with ancient Greek science and proceeds through the Renaissance and Enlightenment to contemporary advances in physics and cosmology Stenger makes a convincing case that not only is this conclusion false but Christianity actually held back the progress of science for one thousand years It is significant he notes that the scientific revolution of the seventeenth century occurred only after the revolts against established ecclesiastic authorities in the Renaissance and Reformation opened up new avenues of thought The author goes on to detail how religion and science are fundamentally incompatible in several areas the origin of the universe and its physical parameters the origin of complexity holism versus reductionism the nature of mind and consciousness and the source of morality In the end Stenger is most troubled by the negative influence that organized religion often exerts on politics and society He points out antiscientific attitudes embedded in popular religion that are being used to suppress scientific results on issues of global importance such as overpopulation and environmental degradation When religion fosters disrespect for science it threatens the generations of humanity that will follow ours

Encyclopedia of Religion in American Politics Jeffrey Schultz, John G. West, Iain Maclean, 1998-12-14 Today such issues as abortion capital punishment sex education racism prayer in public schools and family values keep religion and politics closely entwined in American public life This encyclopedia is an A to Z listing of a broad range of topics related to religious issues and politics ranging from the religious freedom sought by the Pilgrims in the 1620s to the rise of the religious right in the 1980s

Godless Dan Barker, 2008-09-01 One man shares the story of his transformation from evangelical Christian to atheist and examines the train of thought that brought him there After almost twenty years of evangelical preaching missionizing and Christian songwriting Dan Barker threw out the bathwater and discovered that there is no baby In Godless Barker describes the intellectual and psychological path he followed in moving from fundamentalism to freethought Godless includes sections on biblical morality the historicity of Jesus biblical contradictions the unbelievable resurrection and much more It is an arsenal for skeptics and a direct challenge to believers Along the way Barker relates the positive benefit readers will experience from learning to trust in reason and human kindness instead of living in fear of false judgment and moral condemnation Advance Praise for Godless Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition This book is a classic example Christopher Hitchens author of God is Not Great The most eloquent witness of internal delusion that I know a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism is Dan Barker Richard Dawkins author of The God Delusion Godless was a revelation to me I don't think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to sobriety Oliver Sacks author of Musicophilia In Godless Barker recounts his journey from evangelical preacher to atheist activist and along the way explains precisely why it is not only okay to be an atheist it is something in which to be proud Michael Shermer publisher of Skeptic Magazine Godless is a fascinating memoir and a handbook for debunking theism But most of all it is a moving testimonial to one man's emotional and intellectual rigor in acclaiming critical thinking Robert Sapolsky author of Why Zebras Don't Get Ulcers

How to Hustle and Win Supreme Understanding, 2008-06-19 Likened to a 48 Laws of Power for young Black men this book presents Black biographies history and current events in a language that the Hip Hop generation will understand and relate to Each story or essay is framed within the context of a life lesson each one being of vital importance to the survival redemption and ultimate success of our dying Black generation Both the positive and negative sides of the Black experience are explored in detail from the lives of infamous drug dealers and pimps

to the exploits of Black revolutionaries and activists In addition several How To sections outline simple strategies for self development Packed with useful information from the best way to handle confrontations with police to the continuing relevance of the 1919 race riots this book has been compared to an urban Encyclopedia Africana Others have called it a Blueprint for Black Power for a generation struggling with materialism and short attention spans This book is guaranteed to change the world by changing the way millions of people think and live In How to Hustle and Win author Supreme Understanding tells in often graphic detail stories like that of the infamous Philadelphia Black Mafia Harlem s heroin kingpin Frank Lucas and former gang leader Stanley Tookie Williams In between and throughout these tales he weaves life lessons and guidance turning sordid stories of crime and urban despair into an educational experience Whereas Robert Greene s bestselling 48 Laws of Power used iconic figures from classical history to illustrate the guidelines for personal success How to Hustle and Win is filled with the exploits of rappers gangsters radicals and revolutionaries This is a new kind of Black history book and its intent is the motivation and achievement of a new kind of reader Although today s literary market has seen an influx of self help books attending to a variety of issues few books have attempted to address the concerns of young Black men struggling to find direction It is this group that author Supreme Understanding names as one of most troubled demographics in American society today On the book s website the author comments Unfortunately few authors actively target this audience and those who do are either not speaking their language or not interested in pushing for change This is why How to Hustle and Win was written This book will change the minds of millions of young men of color and by doing this it will ultimately change the world Revolutionary aspirations aside How to Hustle and Win s groundbreaking concept results in a truly appealing work Its essays are delivered in short bursts none of them over four pages long making it ideal for struggling readers and those with shorter attention spans At the same time the book is filled with a wealth of information that would enlighten educated readers equally In fact the author juxtaposes his own personal tales of early delinquency and misdirection with his later years of professional success including obtaining a doctorate in education at the age of 26
