good blood in her veins and when she wanted to maintain her position with the people she was thrown among principally rich democratic manufacturers all for liberty and the French Revolution she would put on a pair of ruffles trimmed with real old English point very much darned to be sure but which could not be bought new for love or money as the art of making it was lost years before These ruffles showed as she said that her ancestors had been Somebodies when the grandfathers of the rich folk who now looked down upon her had been Nobodies if indeed they had any grandfathers at all My Lady Ludlow
