Emily Dickinson and Walt Whitman were not the poetic stars of their day only a few friends knew that Dickinson wrote and Whitman's following was minuscule if influential But the contemporaries who eclipsed these major poets now have largely disappeared from our literary landscape In this distinctive anthology Robert Bain gathers together thirteen other scholars to re present the poetry of these former luminaries allowing readers to rediscover them reconstruct the poetic contexts of their age and better understand why Whitman and Dickinson now overshadow other poets of their time Arranged chronologically according to the birth dates of the poets this anthology introduces each poet's work providing biographical information and discussing the major forms and themes of the work Each introduction places the poet in a literary and historical context with Whitman and Dickinson and provides a bibliography of secondary sources This remarkable book recovers a part of our literary heritage that has been lost Finding List of the Enoch Pratt Free Library of Baltimore City, Central Library Enoch Pratt Free Library, 1890 **France** , 1919 **Finding list, central library.
