Lot Of Hard Yakka Triumph And Torment A County Cricketers Life:

A Lot of Hard Yakka Simon Hughes,1998-04-01 Between 1980 and 1993 Simon Hughes was a regular on the county circuit playing for Middlesex until 1991 before moving on to Durham at the end of his career In that time he played alongside some of the great characters in cricket Mike Brearley Mike Gatting Phil Edmonds and Ian Botham This is not an autobiography of a good county pro but a look at the ups and downs the lifestyle the practical jokes and sheer hard yakka that make such a poorly paid insecure job appeal to so many Now a respected journalist and broadcaster Simon Hughes has written a brilliant amusing and wily self deprecating book packed with hilarious and embarrassing anecdotes about some of the greatest cricketers of the last 20 years **A Lot of Hard Yakka** Simon HUGHES,1997 [Business in Britain in the Twentieth Century](#) Richard Coopey,Peter Lyth,2009 This collection of fresh incisive scholarship by some of the leading business historians critically examines the nature of economic recovery in Britain in recent years Covering the key issues for business history in this period the book confronts the traditional literature on conclusions of relative decline and monocausal simplistic explanations It provides an impressive range of studies forming a platform for a new debate on the nature of British business in the 20th century Themes include productivity management research and development marketing regional clusters and networks industrial policy the use of technology and gender Sector studies include newer post war hopefuls and successes including aerospace IT retail banking overseas investment the creative industries The book demonstrates that our understanding of the historic strengths and weaknesses of business in Britain and the shifting balance between sectors of the economy has until now been poorly understood and that British business history needs a fundamental reappraisal
