To Love and To Serve Brian O'Leary,2021-02-28 Brian O Leary an Irish Jesuit has been researching and writing on Ignatian spirituality since the 1970s Over that period he has authored five books the last of which God Ever Greater 2018 was a selection of his lectures and talks His new offering To Love and To Serve is also a selection this time of essays that have appeared in spirituality journals in a number of countries Since these are not easily accessible O Leary made the decision to gather together the best of his work in this genre into one book so making that work more widely available The essays vary considerably in content purpose and style Some are short and aimed at a popular readership others tend to be more academic or written with practitioners of Ignatian spirituality in mind All are eminently readable and display great clarity of style Ignatian spirituality is most commonly associated with the Spiritual Exercises Consequently these figure largely in O Leary s writings However the Exercises do not represent the totality of Ignatian spirituality and so there are a number of pieces on the Jesuit Constitutions a spiritual classic that is surprisingly relevant outside its original context The Constitutions are frequently quoted today in the context of spiritual formation and of leadership And then there is spiritual direction is there a specifically Ignatian model of this ministry There are also intriguing questions around St Ignatius Loyola himself perhaps most of all around his mysticism And what would such mysticism look like if lived out in the post modern world The range of topics is remarkable

Illuminati Bible of Divine Light: Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the

final form of the Coaxialism Sorin Cerin **Mounts And Valleys of Love** Hébert Logerie,2009-12-21 Proceeds of the Mounts And Valleys of Love will go to the earthquake victims in Haiti *The Purpose and Power of Love & Marriage* Myles Munroe,2005-01-28 Probably no other dimension of human experience has been pondered discussed debated analyzed and dreamed about more than the nature of true love Love is everywhere in songs and in books on televisions and on movie screens Yet for all of our thinking and talking how many of us truly understand love and where can we turn for genuine insight in matters of true love In *The Purpose and Power of Love Marriage* Dr Myles Munroe provides the answers to questions surrounding the true nature of love as he also exposes the false images created in our culture Throughout this book he eloquently illuminates the many facets of love while at the same time tackling the really tough subjects of separation and divorce This book is sure to become a classic that will last for a lifetime and beyond as it responds gently and practically to those seeking to resolve the challenges of human relationships
