Lovers Box Of Sensual Desire:

Lover's Box of Sensual Desire Ariel Books, 2005-01-01 A booklet on aphrodisiacs for all five senses and suggestions for setting a sultry mood is accompanied by a heart shaped floating candle and mandarin scented massage oil in this steaming hot little kit Lovers for Life Daniel Ellenberg, Judith Bell, 1995 Though our culture values long term intimate relationships it has failed to provide the necessary tools for achieving such relationships The authors have created a straightforward and accessible guide to successful coupling and jubilant eroticism **The Cube** Nat Karody, Claudia Moscovici, 2012 A Romeo and Juliet story of a young couple from adjacent sides of a cubic planet who meet at an edge and develop a relationship in the midst of a war that threatens to destroy the planet A science fiction novel that reconfigures the laws of nature and transforms the conventions of love Joyce and the Perverse Ideal David Cotter, 2013-08-21 Representations of masochism both overt and oblique permeate the work of James Joyce While a number of critics have noted this to date there has been no sustained and focused analysis of this trope in his writings David Cotter argues that such an examination is key to understanding the meanings and messages of Joyce's work Adding further dimensions to moral political and aesthetic considerations in the novels and stories particularly *Ulysses* this book provides a comprehensive account of masochistic elements in James Joyce's work Cotter draws upon psychoanalytic theory and social history to illustrate the subversive power of perversity in the literature of the modern period This edition first Published in 2003 Routledge is an imprint of Taylor Francis an informal company **An English Dictionary with AB Index and Frequency** Xuhua Chen, 2010 *Criminal Femmes Fatales in American Hardboiled Crime Fiction* Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny Virgin Territory Tamar Jeffers MacDonald, 2010-03-15 Scholars of film and television history as well as cultural studies will enjoy this significant volume Making Sense of Taste Carolyn Korsmeyer, 2014-01-04 Taste perhaps the most intimate of the five senses has traditionally been considered beneath the concern of philosophy too bound to the body too personal and idiosyncratic Yet in addition to providing physical pleasure eating and drinking bear symbolic and aesthetic value in human experience and they continually inspire writers and artists Carolyn Korsmeyer explains how taste came to occupy so low a place in the hierarchy of senses and why it is deserving of greater philosophical respect and attention Korsmeyer begins with the Greek thinkers who classified taste as an inferior bodily sense she then traces the parallels between notions of aesthetic and gustatory taste that were explored in the formation of modern aesthetic theories She presents scientific views of how taste actually works and identifies multiple components of taste experiences Turning to taste's objects food and drink she looks at the different meanings they convey in art and literature as well as in ordinary human life and proposes an approach to the aesthetic value of taste that recognizes

the representational and expressive roles of food Korsmeyer's consideration of art encompasses works that employ food in contexts sacred and profane that seek to whet the appetite and to keep it at bay her selection of literary vignettes ranges from narratives of macabre devouring to stories of communities forged by shared eating [SIECUS Report](#) ,1987 [Loving Day](#) Mat Johnson,2015-05-26 A NEW YORK TIMES NOTABLE BOOK Mat Johnson's unrelenting examination of blackness whiteness and everything in between is handled with ruthless candor and riotous humor Los Angeles Times Razor sharp Loving Day is that rare m lange cerebral comedy with pathos The New York Times Book Review NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times San Francisco Chronicle NPR Men's Journal The Miami Herald The Denver Post Slate The Kansas City Star San Antonio Express News Time Out New York Warren Duffy has returned to America for all the worst reasons His marriage to a beautiful Welsh woman has come apart his comics shop in Cardiff has failed and his Irish American father has died bequeathing to Warren his last possession a roofless half renovated mansion in the heart of black Philadelphia On his first night in his new home Warren spies two figures outside in the grass When he screws up the nerve to confront them they disappear The next day he encounters ghosts of a different kind In the face of a teenage girl he meets at a comics convention he sees the mingled features of his white father and his black mother both now dead The girl Tal is his daughter and she's been raised to think she's white Spinning from these revelations Warren sets off to remake his life with a reluctant daughter he's never known in a haunted house with a history he knows too well In their search for a new life he and Tal struggle with ghosts fall in with a utopian mixed race cult and ignite a riot on Loving Day the unsung holiday for interracial lovers A frequently hilarious surprisingly moving story about blacks and whites fathers and daughters the living and the dead Loving Day celebrates the wonders of opposites bound in love Praise for Loving Day Incisive razor sharp that rare m lange cerebral comedy with pathos The vitality of our narrator deserves much of the credit for that He has the neurotic bawdiness of Philip Roth's Alexander Portnoy the keen caustic eye of Bob Jones in Chester Himes's If He Hollers Let Him Go the existential insight of Ellison's Invisible Man The New York Times Book Review Exceptional To say that Loving Day is a book about race is like saying Moby Dick is a book about whales Mat Johnson's unrelenting examination of blackness whiteness and everything in between is handled with ruthless candor and riotous humor Even when the novel's family strife and racial politics are at peak intensity Johnson's comic timing is impeccable Los Angeles Times Johnson at his best is a powerful comic observer and a gifted writer always worth reading on the topics of race and privilege Dwight Garner The New York Times
