Loving Jesus Mark Allan Powell, The essence of spirituality is loving God says Powell The Bible the Talmud and the Qu'ran all direct their followers not merely to believe in God to trust God to obey God and to serve God but to love God But how does one do that Can we learn to love God In this biblical spirituality for today Powell's earnest plea is for Christians to revisit their faith not by blazing in religious enthusiasm but by harboring a steadier flame and deeper commitment Living at the poetic heart of faith he argues entails seeing the coordinates of religious life love understanding

truth hope and especially devotion in a new way Powell espouses the old fashioned idea of piety Drawing on his wide knowledge of the Bible and Christian tradition as well as insights from his own journey he shows how simple religious practices move us beyond the old certitudes of a naive and youthful faith into the less certain but more bracing terrain of a second naivete a closer walk with Jesus **God's Plan for Success in Your Family Life** Irwin Lall,Vijaya Lall,2019-02-15

Cowen,2015-02-05 The Buddha was a scientist Instead of using a microscope or a particle accelerator the Buddha used ESP He had several psychic powers that allowed him to perceive in detail the psychology of karma the evolution of consciousness and subatomic particles He discovered love and self love to be organizing principles that evolved early in the history of intelligent consciousness especially with regard to feelings and emotions Every person has the deepest need to love and be loved He solved the mind body problem by perceiving the physical basis of intelligent consciousness These psychic powers are acknowledged in Hindu and Buddhist scriptures but extremely few people have them This book is essentially a meditation report written by someone who has them While this sounds like an invitation to return this book to the shelf in a bookstore it also documents in depth another report by a physicist Stephen Phillips who relates in comprehensive detail the relationship between modern superstring theory and extrasensory observation of the elements of the periodic table by Annie Besant and Charles Leadbeater of the Theosophical Society This strong connection between modern physics and psychic powers of the Buddha is a real challenge to both the modern scientist and the modern Buddhist **The Loving Diet** Jessica

Agape and Hesed-Ahava David L. Goicoechea,2015-02-19 Goicoechea presents his third volume in a series on agape In this book he shows in four ways how the agape of Jesus fulfills the ahava and hesed of the Hebrew Bible First he shows existentially how he learned and lived this for six years in a Benedictine Minor Seminary and then for three years in a Sulpician Major Seminary Second he demonstrates how ahava or our love for God and neighbor and hesed or God s love for us develop through the Hebrew Bible Goicoechea argues that St Matthew s Gospel explains the fulfilment of ahava and hesed with Jesus agape He concludes by drawing attention to how Levinas and Derrida two Jewish postmodern philosophers treat Jewish and Christian love

Women, Ritual, and Power Elizabeth Ursic,2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Women Ritual and Power* is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider

larger group of Christians who would love to have more feminist images than is recognized in churches and church practices

Mary McClintock Fulkerson author of *Changing the Subject Women's Discourses and Feminist Theology* [Catholic Book Summaries](#) Matthew Plese, 2013-05-14 Catholic Book Summaries presents 54 summaries of Catholic books in a concise clear and complete manner With so many books for Catholics to read and understand Catholic Book Summaries is an attempt to synthesize some of the most well known traditional and contemporary classics for today's Catholics Meant for Catholics of all ages this book is your guide to understanding dozens of books in a fraction of the time required to read them all This is an entire library of must read Catholic books condensed into one volume These summaries of the most important Catholic thinkers of all time are not just quick facts They distill the wisdom of our great Catholic thinkers such as Blessed Cardinal Newman Archbishop Fulton Sheen Scott Hahn GK Chesterton and so many more *Philosophy and Fiction* Schuy R. Weishaar, 2022-11-22 Fiction lies in order to tell the truth and seeks reality through shadows Philosophy attempts to dispel false realities it pursues clear understanding of things as they are While the relation of philosophy and fiction is perhaps paradoxical they implicate one another's picture of human experience This book uses fiction to help readers process philosophical themes and the philosophical reflection in turn helps clarify the fiction The study moves through roughly a hundred years of modern fiction from Washington Irving's *The Devil and Tom Walker* 1824 through James M Cain's *Double Indemnity* 1936 Several classic works of literary fiction are examined a few largely forgotten stories and several popular novels Reading fiction through the lens of philosophy helps readers perceive the complexity and richness of fiction reinvigorating the pursuit of wisdom that lies just beneath the surface of the words on the page *Christology: Biblical And Historical* Mini S. Johnson, 2005-01-01 [Embracing the Divine Feminine](#) , 2014-10-07 More than ancient erotic love poetry this celebration of the human relationship with Wisdom can be a companion for your own spiritual journey The Song of Songs is the Hebrew Bible's deeply erotic poem of love sexual yearning and consummation Holding it sacred yet troubled by its thinly veiled eroticism Jews and Christians for millennia have read the Song of Songs as an allegory of God's love for Israel the classic Jewish understanding or Jesus's love for his Church the classic Christian understanding This fresh translation restores the Song's eroticism and interprets it as a celebration of the love between the Divine Feminine and the contemporary spiritual seeker Scholar and award winning teacher Rami Shapiro renders this ancient love song as Lady Wisdom offering seekers physical and spiritual intimacy with her so that they might awaken to and participate wisely in the unity of God woman man and nature His intriguing facing page commentary provides historical religious and spiritual insights from Christian and Jewish wisdom traditions as well as clear comparisons to other translations Now you can understand the poetry beauty genius and mystery of the Song of Songs with no previous knowledge of the Hebrew Bible or wisdom literature Compelling in its novelty and accessible in its presentation this version of the Song of Songs will beckon you more deeply into Jewish Christian sacred texts while offering you wisdom teachings and practices rooted in but not

limited to religion **Prophetic Mysticism of John of the Cross (Collected Works)** John of the Cross, 2021-11-25 This is the 16 century collection of spiritual mystical works regarding the search for unity with the divine The author wrote part of the works during his imprisonment In those times the author experienced bad health and spiritual condition which inspired him for an inner spiritual search The result of this search was the poem The Dark Night of the Soul telling about the soul's journey to unity with God which goes through three stages purgation illumination and unity Ascent of Mount Carmel is a treatise to the poem mentioned above which gives practical advice on the ascetic life Finally the Spiritual Canticle is a metaphoric poem about the soul searching the unity with Christ presented as a story of a wife seeking her beloved husband
