

Magic Animals Of Japan

Sybille Jagusch

Magic Animals Of Japan:

Magic Animals of Japan Davis Pratt, 1967-09-01 *Japan and American Children's Books* Sybille Jagusch, 2021-06-18

For generations children's books provided American readers with their first impressions of Japan. Seemingly authoritative and full of fascinating details about daily life in a distant land, these publications often presented a mixture of facts, stereotypes, and complete fabrications. This volume takes readers on a journey through nearly 200 years of American children's books depicting Japanese culture, starting with the illustrated journal of a boy who accompanied Commodore Matthew Perry on his historic voyage in the 1850s. Along the way, it traces the important role that representations of Japan played in the evolution of children's literature, including the early works of Edward Stratemeyer, who went on to create such iconic characters as Nancy Drew. It also considers how American children's books about Japan have gradually become more realistic, with more Japanese-American authors entering the field and with texts grappling with such serious subjects as internment camps and the bombing of Hiroshima and Nagasaki. Drawing from the Library of Congress's massive collection, Sybille A. Jagusch presents long passages from many different types of Japanese-themed children's books and periodicals, including travelogues, histories, rare picture books, folktale collections, and boys' adventure stories, to give readers a fascinating look at these striking texts. Published by Rutgers University Press in association with the Library of Congress. **Nipponalia** Kyōto Gaikokugo Daigaku. Toshokan, 1980 *Women Religious Leaders in Japan's Christian Century, 1549-1650* Haruko Nawata Ward, 2016-12-05. Meticulously researched and drawing on original source materials written in eight different languages, this study fills a lacuna in the historiography of Christianity in Japan, which up to now has paid little or no attention to the experience of women. Focusing on the century between the introduction of Christianity in Japan by Portuguese Jesuit missionaries in 1549 and the Japanese government's commitment to the eradication of Christianity in the mid-seventeenth century, this book outlines how women provided crucial leadership in the spread, nurture, and maintenance of the faith through various apostolic ministries. The author's research on the religious backgrounds of women from different schools of late medieval Japanese Shinto Buddhism sheds light on individual women's choices to embrace or reject the Reformed Catholicism of the Jesuits and explores the continuity and discontinuity of their religious expressions. The book is divided into four sections devoted to an in-depth study of different types of apostolates: nuns, women who took up monastic vocations, witches, the women leaders of the Shinto-Buddhist tradition who resisted Jesuit teachings, catechists, women who engaged in ministries of persuasion and conversion, and sisters, women devoted to missions of mercy. Analyzing primary sources, including Jesuit histories, letters, and reports, especially Luis Fróis's *História do Japão*, hagiography, and family chronicles, each section provides a broad understanding of how these women, in the context of misogynistic society and theology, utilized resources from their traditional religions to new Christian adaptations and specific religious social issues, creating unique hybrids of Catholicism and Buddhism. The inclusion of Portuguese, Spanish, Italian, and Japanese texts, many available for the first time in

English and the dramatic conclusion that women were largely responsible for the trajectory of Christianity in early modern Japan makes this book an essential reading for scholars of women's history, religious history, history of Christianity and Asian history. [Catalog of Copyright Entries, Third Series](#) Library of Congress. Copyright Office, 1971. **Koro** Arabinda Narayan Chowdhury, 2022-01-01 This book provides a definitive account of koro, a topic of long standing interest in the field of cultural psychiatry in which the patient displays a fear of the genitals shrinking and retracting. Written by Professor A N Chowdhury, a leading expert in the field, it provides a comprehensive overview of the cultural, historical and clinical significance of the condition that includes both cutting edge critique and an analysis of research and accounts from the previous 120 years published literature. The book begins by outlining the definition, etymology of the term and clinical features of koro as a culture bound syndrome and contextualizes the concept with reference to its historical origins and local experience in Southeast Asia and its subsequent widespread occurrence in South Asia. It also critically examines the concept of culture bound disorder and the development of the terminology such as cultural concepts of distress which is the term that is currently used in the DSM 5. Subsequent chapters elaborate the cultural context of koro in Chinese and South Asian cultures including cultural symbolic analysis of associations with animals, fox and turtle and phallic imagery based on troubling self-perceived aspects of body image that is central to the concept. The second section of the book offers a comprehensive global literature review before addressing the current status and relevance of koro, clinically relevant questions of risk assessment and forensic issues and research methodology. This landmark work will provide a unique resource for clinicians and researchers working in cultural psychiatry, cultural psychology, anthropology, medical sociology, social work and psychosexual medicine. *The Japanese Collection* Slippery Rock State College. Animals and Ourselves Kathy Merlock Jackson, Kathy Shepherd Stolley, Lisa Lyon Payne, 2020-10-13 The relationship between humans and animals has always been strong symbiotic and complicated Animals real and fictional have been a mainstay in the arts and entertainment figuring prominently in literature film television social media and live performances Increasingly though people are anthropomorphizing animals assigning them humanoid roles tasks and identities At the same time humans such as members of the furry culture or college mascots find pleasure in adopting animal identities and characteristics This book is the first of its kind to explore these growing phenomena across media The contributors to this collection represent various disciplines to include the arts humanities social sciences and healthcare Their essays demonstrate the various ways that human and animal lives are intertwined and constantly evolving

The Booklist ,1967 Damsels Overcome Bobbie Kinhead, 2021-08-30 The book contains folk cautionary tales myths and legends which inspired damsels to overcome challenges in their environment predators hunger oppression or aggression and traditional male norms and standards

Devouring Japan Nancy K. Stalker, 2018-03-26 In recent years Japan s cuisine or washoku has been eclipsing that of France as the world s most desirable food UNESCO recognized washoku as an intangible cultural treasure in 2013 and Tokyo boasts more Michelin starred restaurants than Paris and New York combined International enthusiasm for Japanese food is not limited to haute cuisine it also encompasses comfort foods like ramen which has reached cult status in the U S and many world capitals Together with anime pop music fashion and cute goods cuisine is part of the Cool Japan brand that promotes the country as a new kind of cultural superpower This collection of essays offers original insights into many different aspects of Japanese culinary history and practice from the evolution and characteristics of particular foodstuffs to their representation in literature and film to the role of foods in individual regional and national identity It features contributions by both noted Japan specialists and experts in food history The authors collectively pose the question what is washoku What culinary values are imposed or implied by this term Which elements of Japanese cuisine are most visible in the global gourmet landscape and why Essays from a variety of disciplinary perspectives interrogate how foodways have come to represent aspects of a unique Japanese identity and are infused with official and unofficial ideologies They reveal how Japanese culinary values and choices past and present reflect beliefs about gender class

and race how they are represented in mass media and how they are interpreted by state and non state actors at home and abroad They examine the thoughts actions and motives of those who produce consume promote and represent Japanese foods

Magic Animals Of Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Magic Animals Of Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Magic Animals Of Japan has opened up a world of possibilities. Downloading Magic Animals Of Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Magic Animals Of Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Magic Animals Of Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Magic Animals Of Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Magic Animals Of Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Magic Animals Of Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Magic Animals Of Japan Books

1. Where can I buy Magic Animals Of Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
