THE REMNANTS OF PAGAROTH J.T. Spears,2024-07-01 When a dark ancient being manages to escape his banishment from the other side of our Galaxy and exile that had lasted for over a thousand eons He is amazed as well as delighted to find himself returning to a vulnerable world now absent of the ones who had vanquished then hurled him into the outer realms of existence Forever However no one had counted on his return a feat once thought to be impossible Especially to an unguarded world There s no one to stand in his way now No one to oppose him Just a few young students well learned in the ways and practices of the ancient gods It is only they who must stand against him now These remnants of the old armed only with a knowledge long thought to be forgotten
