Magic: The Life of Earvin "Magic" Johnson Roland Lazenby, 2023-10-24 The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of Michael Jordan The Life Magic Johnson is one of the most beloved and at times controversial athletes in history His iconic smile lifted the dowdy sport of American professional basketball from a second tier sport with low ratings into the global spotlight a transformation driven by Magic's ability to eviscerate opponents with a playing style that featured his grand sense of fun He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess all of it driven by his mind blowing no look passes and personal charm Then in 1991 at the height of his charismatic power Johnson shocked the

world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV AIDS crisis Then out came his confession of unprotected sex with hundreds of women each year followed by his retirement an attempted return and a proper farewell on the iconic 1992 Olympic Dream Team Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard won success In Lazenby s portrayal Johnson s tale becomes bigger than that of one man It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself Through hundreds of interviews with Johnson s coaches representatives past and present teammates opponents friends and loved ones as well as key conversations with Johnson himself over the years Lazenby has produced the first truly definitive study both dark and light of Earvin Magic Johnson Jr the revolutionary player the icon the man *The Game of My Life* Jason McElwain,2008 An inspirational memoir recounts one young man s lifelong battle to overcome a diagnosis of severe autism and the tough challenges he and his family confronted and describes the role of basketball in transforming his life *Jumpman* Johnny Smith,2023-11-07 How Michael Jordan s path to greatness was shaped by race politics and the consequences of fame To become the most revered basketball player in America it wasn t enough for Michael Jordan to merely excel on the court He also had to become something he never intended a hero Reconstructing the defining moment of Jordan s career winning his first NBA championship during the 1990 1991 season sports historian Johnny Smith examines Jordan s ubiquitous rise in American culture and the burden he carried as a national symbol of racial progress *Jumpman* reveals how Jordan maintained a mystique that allowed him to seem more likable to Americans who wanted to believe race no longer mattered In the process of achieving greatness he remade himself into a paradox universally known yet distant and unknowable Blending dramatic game action with grand evocations of the social forces sweeping the early nineties *Jumpman* demonstrates how the man and the myth together created the legend we remember today **LA Sports** Wayne Wilson,David K.
