Naughty Girls and Gay Male Romance/Porn: Slash Fiction, Boys' Love Manga, and Other Works by Female "Cross-Voyeurs" in the U.S. Academic Discourses Carola Katharina Bauer, 2013-05-17 Despite the fact that there actually exists a large number of pornographic and romantic texts about male homosexuality consumed and produced by American women since the 1970s the abnormality of those female cross voyeurs is constantly underlined in U S popular and academic culture As the astonished public reactions in the face of a largely female heterosexual audience of Brokeback Mountain 2005 and Queer as Folk 2000 2005 have shown a woman s erotic romantic interest in male homosexuality is definitely not as accepted as its male counterpart men consuming lesbian porn In the academic publications on female cross voyeurs the application of double standards with regard to male female cross voyeurism is even more obvious As Karen Hellekson and Kristina Busse note in their Introduction to Fan Fiction and Fan Communities in the Internet 2006 slash fiction fan fiction about male homosexual relationships mainly produced and consumed by women has stood in the center of fan fiction studies so far despite being merely a subgenre of it The reason for this seems to be an urge to explain the underlying motivations for the fascination of women with m m romance or pornography within the academic discourse a trend which differs completely from the extremely under theorized complex of men interested in lesbians It is this obvious influence of conventional gender stereotypes on the perception of these phenomena that provokes me to examine the way in which the works of female cross voyeurism and their consumers producers are conceptualized in the U S scholarly accounts In many ways this thesis explores unknown territories and respectively tries to take a closer look at academic problems that have not been adequately addressed yet

Lesbian Potentiality and Feminist Media in the 1970s Jed Samer, 2022-02-04 In Lesbian Potentiality and Feminist Media in the 1970s Jed Samer explores how 1970s feminists took up the figure of the lesbian in broad attempts to reimagine gender and sexuality Samer turns to feminist film video and science fiction literature offering a historiographical concept called lesbian potentiality a way of thinking beyond what the lesbian was in favor of how the lesbian signified what could have come to be Samer shows how the labor of feminist media workers and fans put lesbian potentiality into movement They see lesbian potentiality in feminist prison documentaries that theorize the prison industrial complex s racialized and gendered violence and give image to Black feminist love politics and freedom dreaming Lesbian potentiality also circulates through the alternative spaces created by feminist science fiction and fantasy fanzines like The Witch and the Chameleon and Janus It was here that author James Tiptree Jr Alice B Sheldon felt free to do gender differently and inspired many others to do so in turn Throughout Samer embraces the perpetual reimagination of lesbian and the lesbian s former futures for the sake of continued radical world building

The Individual and Utopia Clint Jones, Cameron Ellis, 2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual's relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world The Individual and Utopia enquires after the nature of the utopian as citizen demonstrating the inherent value of making the individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature

Dubcon Milena Popova, 2021-10-05 How the treatment of sexual consent in erotic fanfiction functions as a form of cultural activism Sexual consent is at best a contested topic in Western societies and cultures The MeToo movement has brought public attention to issues of sexual consent revealing the endemic nature of sexual violence Feminist academic approaches to sexual violence and consent are diverse and multidisciplinary and yet consent itself is significantly undertheorized In Dubcon Milena Popova points to a community that has been considering issues of sex power and consent for many years writers and readers of fanfiction Their nuanced engagement with sexual consent Popova argues can shed light on these issues in ways not available to either academia or journalism Popova explains that the term dubcon short for dubious consent was coined by the fanfiction community to make visible the gray areas

between rape and consent for example in situations where the distribution of power may limit an individual's ability to give meaningful consent to sex Popova offers a close reading of three fanfiction stories in the Omegaverse genre examines the arranged marriage trope and discusses the fanfiction community's response when a sports star who was a leading character in RPF real person fiction was accused of rape Proposing that fanfiction offers a powerful discursive resistance on issues of rape and consent that challenges dominant discourses about gender romance sexuality and consent Popova shows that fanfiction functions as a form of cultural activism
