From both before her diagnosis of autism and after, she seemed trapped in her own world, unable to connect with those around her. One day, her mother brought home a Maine Coon kitten for Iris, even though cats aren't typically thought of as therapy pets. Thula, named after one of Iris's favorite African lullabies and meaning peace in Zulu, immediately bonded with Iris. Thula knew right away how to assuage Iris when she became overstimulated, when to intervene when Iris became overwhelmed, and how to provide distraction when Iris started heading toward a meltdown. Whether exploring, playing, sleeping, or taking a bath with Iris, or accompanying the family on a bike ride, Thula became so much more than a therapy cat. With Thula's safe companionship, Iris began to talk and interact with her family. This heartwarming story is illustrated with sixty of Iris's gorgeous impressionistic paintings, works of art that have allowed her to express herself since the age of three. A gifted artist, Iris sees the natural world in a profoundly vivid and visceral way. With Thula by her side, she'll sit and paint for hours, and the results are stunning. Inspiring and touching, Iris Grace follows the struggles and triumphs of a family and a miracle cat as they learn to connect with an amazing child. **Iris of the Willow** Michael DeDominicis, 2021-08-19 Iris Paisley doesn't know that she committed a horrific crime of passion in a past life for all souls lose their memory upon entering a new body. She believes she is merely unlucky when catastrophe follows her from losing loved ones to a war breaking out across the world. In actuality, the universe is carefully coordinating these hardships to correct the steep karmic imbalance her prior incarnation caused. Iris finds refuge from her avalanching life in her dreams, where she is visited by a charismatic stranger named Mada Retina. As Iris falls in love with him, she makes the startling discovery that he is not a figment of her imagination but a real man that she can see in the flesh if she is willing to make some sacrifices. Iris and Mada are actively fighting on opposite sides of the war that is raging. Choosing him will mean forsaking her friends and potentially costing them the victory they so desperately seek.
