Marcus's acclaimed book on the secret music made by Bob Dylan and the Band in 1967 which introduced a phrase that has become part of the culture the old weird America Marcus's widely acclaimed book is about the secret music the so called Basement Tapes made by Bob Dylan and the Band while in seclusion in Woodstock New York in 1967 a folksy yet funky furious yet hilarious music that remains as seductive and baffling today as it was more than half a century ago As Mark Sinker observed in *The Wire* Marcus's contention is that there can be found in American folk a community as deep as electric as perverse and as conflicted as all America and that the songs Dylan recorded out of the public eye in a basement in Woodstock are where that community as a whole gets to speak But the country mapped out in this book as Bruce Shapiro wrote in *The Nation* is not Woody Guthrie's land for made for you and me It's what Marcus calls the old weird America This odd terrain this strange yet familiar backdrop to our common cultural history which Luc Sante in *New York* magazine termed the playground of God Satan tricksters Puritans confidence men illuminati braggarts preachers anonymous poets of all stripes is the territory that Marcus has discovered in Dylan's most mysterious music And his analysis of that territory reads like a thriller Ken Tucker *Entertainment Weekly* and exhibits a mad sparkling brilliance David Remnick *The New Yorker* throughout This special edition includes a new introduction an updated discography and never before seen photographs of the legendary recording sessions This book is terminal goes deeply into the subconscious and plows through that period of time like a rake Greil Marcus has done it again Bob Dylan
