**Newton** M. Goldish,2013-04-17 This book is based on my doctoral dissertation from the Hebrew University of Jerusalem 1996 of the same title As a master s student working on an entirely different project I was well aware that many of Newton s theological manuscripts were located in our own Jewish National and University Library but I was under the mistaken assumption that scores of highly qualified scholars must be assiduously scouring them and publishing their results It never occurred to me to look at them at all until having finished my master s I spoke to Professor David Katz at Tel Aviv University

about an idea I had for doctoral research Professor Katz informed me that the project I had suggested was one which he himself had just finished but that I might be interested in working on the famous Newton manuscripts in the context of a project being organized by him Richard Popkin James Force and the late Betty Jo Teeter Dobbs to study and publish Newton's theological material I asked him whether he was not sending me into the shark infested waters of highly competitive scholarship and learned that in fact there were only a handful of scholars in the world who actively studied and published on Newton's theology At the time the group consisted mainly of Popkin Force Dobbs Frank Manuel Kenneth Knoespel and David Castillejo

magician had to undergo many months of prayer meditation fasting purification abasement and a period of complete sequestration Another version of this working recently published had the working last for eighteen months with three months of sequestration Many magicians attempted this arduous task some succeeded and some failed This working was typically beyond the means and resources of your average magician This was the challenge to achieve the knowledge and conversation with their Holy Guardian Angel However Frater Barrabbas took this challenge and used it to forge a whole new magical ordeal He decided to base it on a lunar cycle instead of a solar cycle crafting an ordeal that could be accomplished in seven weeks with three days of sequestration thus making its performance more practical Frater Barrabbas sought to create a powerful series of magical workings to produce the promised transfiguration state and manifest one's Holy Guardian Angel He used invocations of the four Seraphim and Cherubim in four weeks along with the Element Godhead to produce a holy tabernacle of godhead and angelic intelligence He chose a revised version of the Bornless or Headless One invocation rite of Golden Dawn fame as the apex He plumbed the Greek Magical Papyri to extract three more rituals to add to the Bornless rite These rituals and more he has written into a book including the diary entries where he performed this working back in 2009 to validate it This lore and instruction are encapsulated in Abramelin Lunar Ordeal a unique and profound contribution to the art of ritual magic The Sacred Magic of Abramelin is now available using a new concise paradigm     **The Atum-Re Revival**
