Hoodoo and voodoo: secrets of folk magic, roots, witchcraft, mojo, conjuration, Haitian voodoo and New voodoo Orleans ,2023-10-08 Introduction Hoodoo is a subject that has been around since Africans were brought to American shores as slaves and migrated across the country sharing their magic and beliefs The herbs and roots they used were amalgamated with other beliefs to form the

practice we now know as Hoodoo Many people think that Hoodoo is a religious practice but the truth is exactly the opposite Hoodoo is not based on the worship of gods goddesses or other formal deities Instead it is a way for people to practice folk magic using the most basic tools and ingredients So what relevance does Hoodoo have in today s society Quite Humans are beginning to understand what powers exist in nature and how to use them The natural progression to magic and root building rituals passed down in history seems inevitable Understanding why some plants and herbs can attract good luck while others form a protective shield appeals to our personal sense of well being This type of magic and conjuration can be performed by anyone who wants to try it as long as they respect the power and learn to protect themselves from evil This book contains everything you need to know to get the job done safely and powerfully Learn the ancient craft of Hoodoo and see how it can change your life forever Blood for Magic Aundrea Singer,2020-12-23 Twenty year old Tarquin is smart tactless and braver than he knows He s also been Mage of the Realm of Kelor for two years taking the title from his mother after she died protecting Kelor from a terrible threat Mages unlike all other magicians give their blood in exchange for far more powerful magic Unfortunately for the Mage of the Realm there s always the chance one day Kelor will need magic of such potency that a mage will have to give not just their blood but their life Tarquin s mother already made this sacrifice and Tarquin knows it s likely also his fate While on a quest to heal his brother who is dying because of Tarquin s reckless mistake Tarquin is attacked by a horrific flesh eating monster He s saved by an enigmatic and mute young soldier called Five who is cursed with a terrifying appearance that conceals the heart of a knight There s an almost instant attraction between the two men but no time to explore it The monster s attack is the harbinger of a new invasion With Kelor helpless the realm s only hope lies with Tarquin Just as he feared his sole choice is to sacrifice himself the way his mother did in exchange for magic strong enough to destroy the coming evil He s prepared to give up his life to save the realm but before the battle is over he ll be faced not just with his own death but the death of everyone he cares about Including the cursed soldier he s come to love
