Michael D. O'Brien, 2011-05-24 The Harry Potter series of books and movies are wildly popular Many Christians see the books as largely if not entirely harmless Others regard them as dangerous and misleading In his book A Landscape with Dragons Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting His analysis written before the rise of the popular Potter books and films anticipates many of the problems Harry Potter critics point to A Landscape with Dragons is a controversial yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them In this study of the pagan invasion of children's culture O'Brien the father of six describes his own coming to terms with the effect it has had on his family and on most families in Western society His analysis of the degeneration of books films and videos for the young is incisive and detailed Yet his approach is not simply critical for he suggests a number of remedies including several tools of discernment for parents and teachers in assessing the moral content and spiritual impact of this insidious revolution In doing so he points the way to rediscovery of time tested sources and to new developments in Christian culture If you have ever wondered why a certain children's book or film made you feel uneasy but you couldn't figure out why this book is just what you need This completely revised much expanded second edition also includes a very substantial recommended reading list of over 1 000 books for kindergarten through high school **The Oxford Companion to Children's Literature** Daniel Hahn, Michael

Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns **The Magic Pot** Ishmael Odean Ishmael, Odean Ishmael, 2010 This book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region The starring character in all of them is Nansi whose exploits form part of the folklore of these countries Nansi the starring character in all the stories is also popularly known as Anansi But in Guyana and some other Caribbean countries Nansi the shortened form of this name is usually preferred Nansi who is a spider but who sometimes takes the qualities or form of a man or even half man and half spider is originally the chief trickster among the Ashanti and Akan peoples of West Africa When some of these peoples were forcibly brought to the Caribbean and the American continent as slaves from the sixteenth to the nineteenth centuries they also brought with them the tales of the exploits of Nansi who was and still is variably regarded as a folk hero a cunning trickster and also sometimes as a fool The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the south east United States even though the plots and the characters involved may vary slightly They certainly provide tangible evidence that much of the oral traditions of people of African origin

in the Americas remain intact despite the historical trauma caused by centuries of slavery Nansi is always outwitting the forest creatures humans his own family the community in which he lives and sometimes even deities His character assumes various patterns In some cases he is regarded as wise but he can be greedy cunning gluttonous stupid and dishonest Despite these varying characteristics Nansi is generally admired for the manner in which he outwits others In Guyana and other countries of the English speaking Caribbean particularly in rural areas the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in the these countries regard Nansi as their folk hero as well Interestingly all stories told at these informal community gatherings are regarded as Nansi stories even though Nansi may not be a character in any of them The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the Caribbean that sometimes any story that is far fetched and hard to believe is dismissed as a Nansi story **One**

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
