Magnificent Courageous Woman:

Magnificent and Courageous Woman Helen J. Fong, 1998-01-01 The Magnificent Heresy ROYSTON MOORE, 2011-10-26 The large ancient Egyptian Empire won by Thutmose III and his son Amenhotep II brought great wealth to Egypt. This legacy was squandered by the later pharaohs of the eighteenth dynasty. The person chiefly responsible for its loss was Akhenaten (Amenhotep IV) who always called himself by the name Akhenaten, being devoted to his God Aten, believing in a single God Aten represented by the Solar Disc. His crime was to attempt to force that single God on his people and attempted to destroy their beliefs in the many Gods of Egypt worshipped for centuries by his people. An attempt that caused havoc in the Middle East. Since we now know some five hundred years must be deducted from the present chronology of Egypt after the thirteenth dynasty, we now know that he copied his idea from the beliefs of the Israelite people and their belief in the coming of a Messiah would bring eternal peace to the world. However, this deduction means we must re-write the history of Egypt and its relations with other countries. This book attempts to do this. Although it is written in a fictionalized form to increase your enjoyment, every event is historically accurate and did occur at that time as described. But it is also a story of the true love of their men and women. Though the morals of Egypt were very different from what we accept today, they did love each other. Menkheper ROYSTON MOORE, 2012-07-24 MENKHEPER Pharaoh Menkheperre Thutmose who preferred to be called Menperre was the sixth pharaoh of the eighteenth dynasty of ancient Egypt and was the pharaoh who won a vast empire for ancient Egypt. With his queen Merytre Hatshepsut, daughter of Pharaoh Makere Hatshepsut, this man and woman's romance is probably the greatest love story of the ancient world. It seems three different minds bedeviled him throughout his life. Not fearing being killed nor those resulting in the deaths of his soldiers or enemies, simply because he believed his destiny was to conquer an empire for Egypt, which he did achieve. A man who at times was consumed by intense hatred, particularly of Senmut and King Solomon. A desire for revenge which at times drove him mad. Yet he was capable of great love, tenderness and kindness to his wives and family, providing a supreme atmosphere of family life enjoyed by everyone. It is time this great romance is known to the world. This book, though offered in a fictionalized form, is factually correct in every aspect. Enjoy the peculiarities of Menkheperre Thutmose, which has never been told before. But enjoy how his love for his wives transcends all else. ROYSTON MOORE **The Whistler** Stephanie Johnson, 2013-12-16 A brilliant novel about history, the forgetting and rewriting of it, and a satire on a society that has lost compassion in the process. Smooch is a Whistler, a genetically altered lapdog with special talents including the ability to remember his previous incarnations and to communicate directly from his brain by electronically downloading his thoughts onto disc. Smooch has been reincarnated many times and has lived on many of the great laps of history, past and future. He can recall many of history's key moments such as the birth of Jesus and the imprisonment of Mary Queen of Scots. The Whistler is a virtuosic feat, wise, funny and intelligent. Smooch's current reincarnation is in Sydney in the year 2318. The world has gone to hell, democratic government

Mean...Moody...Magnificent! Christina Rice,2021-06-15 By the early 1950s Jane Russell 1921 2011 should have been forgotten Her career was launched on what is arguably the most notorious advertising campaign in cinema history which invited filmgoers to see Howard Hughes s The Outlaw 1943 and to tussle with Russell Throughout the 1940s she was nicknamed the motionless picture actress and had only three films in theaters With such a slow inauspicious start most aspiring actresses would have given up or faded away Instead Russell carved out a place for herself in Hollywood and became a memorable and enduring star Christina Rice offers the first biography of the actress and activist perhaps most well known for her role in Gentlemen Prefer Blondes 1953 Despite the fact that her movie career was stalled for nearly a decade Russell s filmography is respectable She worked with some of Hollywood s most talented directors including Howard Hawks Raoul Walsh Nicholas Ray and Josef von Sternberg and held her own alongside costars such as Marilyn Monroe Robert Mitchum Clark Gable Vincent Price and Bob Hope She also learned how to fight back against Howard Hughes her boss for more than thirty five years and his marketing campaigns that exploited her physical appearance Beyond the screen Rice reveals Russell as a complex and confident woman She explores the star s years as a spokeswoman for Playtex as well as her deep faith and work as a Christian vocalist Rice also discusses Russell s leadership and patronage of the WAIF foundation which for many years served as the fundraising arm of the International Social Service ISS agency WAIF raised hundreds of thousands of dollars successfully lobbied Congress to change laws and resulted in the adoption of tens of thousands of orphaned children For Russell the work she did to help unite families overshadowed any of her onscreen achievements On the surface Jane Russell seemed to live a charmed life but Rice illuminates her darker moments and her personal struggles including her empowered reactions to the controversies surrounding her films and her feelings about being portrayed as a sex symbol This stunning first biography offers a fresh perspective on a star whose legacy endures not simply because she forged a notable film career but also because she effectively used her celebrity to benefit others **The Maiden's Revenge**

Hillary Fields,2013-05-21 THE PIRATE One of the fiercest pirates on the Main the legendary Captain Thorne can raid a ship and wield a cutlass with the best Woe betide any man who desires to get past the tempered steel to the woman holding it Lynnette Blackthorne a k a Captain Thorne sails the high seas with only one goal vengeance against the man who murdered her sister Nothing will stand in her way especially not a silver eyed rogue with the power to make her tremble and lose her wits to the madness of passion THE CAPTIVE Everything that matters to Captain Daniel Bradley his ship his business his future has been stolen away by this beautiful buccaneer now holding him for ransom His desire to kiss that smug look off her face is rivaled only by his determination to beat her at her own game He s never encountered a threat he hasn t conquered and no half sized pirate wench is going to break his record of victory THE SURRENDER Now the duel of wits and desire that

began the moment they first laid blazing eyes on each other is about to play out in a collision course of passionate adventure as two formidable opponents discover the ecstasy of surrendering to the only force stronger than themselves love *The woman's Bible* Elizabeth Cady Stanton,2019-07-23 The Woman s Bible is a two part book published in 1895 and 1898 to challenge the traditional position of religious orthodoxy that woman should be subservient to man By producing the book Stanton wished to promote a radical liberating theology one that stressed self development The Woman s Bible attracted a great deal of controversy and antagonism at its introduction The Female Paul I. Wellman,2025-08-29T00:00:00Z Many readers have claimed this is their favorite book of all time This is a magical compelling story about the wife of the emperor Justinian the empress Theodora The Female by Paul I Wellman is one of those rare novels that manages to blend riveting historical storytelling with unforgettable character work Set against the backdrop of a tumultuous and vividly rendered frontier the book captures the raw often brutal forces that shaped early America and places a fiercely compelling woman at the centre of it all What makes this novel exceptional is not just its fearless exploration of female power in a world built for men but the way it unflinchingly portrays the moral complexity of survival ambition and seduction Wellman s grasp of historical detail is extraordinary never dry always immersive Every page drips with grit sensuality and a kind of dangerous glamour Even if you ve read countless historical novels The Female stands in a category of its own It s seductive brutal and uncomfortably honest And more than a few times readers have claimed that it s possibly the greatest book they ve ever read
