**The Right to Arm Bears** Gordon R. Dickson, 2016-06-20 Planet Dilbia is in a crucial location for both humans and their adversaries the Hemnoids Therefore making friends with the Dilbians and establishing a human presence there is of the utmost importance which may be a problem since the bearlike Dilbians stand some nine feet tall and have a high regard for physical prowess They're not impressed by human technology either A real man or bear doesn't need machines to do his work for him But Dilbians are impressed by sharp thinking and some have expressed a grudging admiration for the logical and usually sneaky mental maneuvers that the human shorties have used to get themselves out of desperate jams Just maybe that old human craftiness will win over the Dilbians to the human side If not we lose a nexus and the Dilbians will learn just how unbearable Hemnoids can be Excellent Science Fiction Review Publisher's Note The Right to Arm Bears has previously appeared in parts as Spacial Delivery Spacepaw and The Law Twister Shorty This is the first unitary edition and those are the bear facts At the publisher's request this title is sold without DRM Digital Rights Management

**Hoka! Hoka! Hoka!** Poul Anderson, Gordon R. Dickson, 2019-03-05 THE HOKAS ARE BACK IN THIS CLASSIC OF HUMOROUS SF FROM POUL ANDERSON AND GORDON R DICKSON The Interbeing League had been formed to make contact with new intelligent races in the galaxy and offer them membership But when the League encountered the Hokas furry creatures strongly resembling the teddy bears of Earth the League's agent Alexander Jones could have been excused for wishing he had a simpler assignment than making sense out of the Hokas such as singlehandedly stopping an interstellar war Not that the fuzzy aliens were unfriendly In fact they loved everything about humans and adopted various Terran cultures wholesale and in every little detail but with a bit of confusion about the differences between fact and fiction So if the Hokas suddenly started outing out the parts in a rip roaring shoot em up western or brought to life the London of Sherlock Holmes complete with a pip puffing deerstalker wearing Hoka or suddenly

decided to fly the Jolly Roger and lead a life of adventure and piracy on the high seas mate well that was to be expected And as the Hokas threw themselves wholeheartedly into progressively wilder worlds from Terran history and fiction Jones could be excused for feeling that his grip on reality was hanging by a single thin increasingly frayed thread At the publisher s request this title is sold without DRM Digital Rights Management Praise for the Hokas stories You aren t apt to find a more gleeful book of S F The Magazine of Fantasy Science Fiction the funniest s f ever written A Reader s Guide to Science Fiction About Poul Anderson One of science fiction s authentic geniuses Chicago Sun Times Anderson fuses elegiac prose and a sweeping vision of man s technological future Booklist One of science fiction s giants Arthur C Clarke About Gordon R Dickson Dickson is one of SF s standard bearers Publishers Weekly Dickson has a true mastery of pacing and fine understanding of human beings Seattle Post Intelligencer A masterful science fiction writer Milwaukee Journal Devilution Mark Childs,2009-12-09 Welcome to the Devilution Trilogy a series of three books contained in one volume Book One Devilution Welcome to Twin Forks a small town with many secrets Wilf McKinley is a young man with many secrets of his own The visions that have haunted him since he was a child are suddenly changing growing stronger With the guidance of Doba a mysterious Navajo spirit guide Wilf embarks on a quest that will change his life forever as he races to stop Q trill the renegade Ak Jang from obtaining the liquid evil that is buried beneath Twin Forks Book Two Rebelution Q trill and his army of modified soldiers march against the Ak Jang The Cuilieann a mysterious cult that is three thousand years old surfaces to lay claim to the powerful yo tan Wilf becomes caught in a life or death struggle between the warring factions as he pushes forward to fulfill his destiny Book Three Souolution The world is spiraling out of control as the yo tan spreads consuming millions of innocent lives Time is running out for Wilf as he is forced to seek help from the spirit world His journey will take him to the spirit realms of Amenti Anastasius the Void and the Nothing as he struggles to make sense of a world gone horribly wrong **Gonji: Red Blade from the East** T.
