Magruder's American Government 1989:

Magruder's American Government William A. McClenaghan, 1988 *Magruder's American Government* Frank Abbott Magruder, William A. McClenaghan, 1994 **The Code of Hammurabi** Jack Sholl, Jeane Breazeale, 2013-09-17 This case study shows that a widely used U S Government high school textbook puts an ancient King of Babylon on the same level as American founding fathers George Washington Thomas Jefferson and John Adams The research study finds that the assertion that the Hammurabi Code is an underlying document of the United States as millions of American high school students are being taught today is not correct The U S Declaration of Independence the U S Constitution and the Bill of Rights are the founding documents of the United States The study challenges the claim by both legalists and religionists to the presumed importance of this ancient code to the foundations of American government now and in the past It warns that historical revisionism of this type poses a threat to U S national security at a time when American values are being challenged abroad especially in the Middle East It finds no overall uniform oversight or coordination of parties at all levels involved in high school textbook content The present system for fully reviewing textbooks and curricula a combination of publishers school boards issue blind teachers and academics government and national security agencies is not working Unless corrected the foundations of freedom and democracy and the Judeo Christian spiritual values upon which they are built will continue to be seriously eroded in the nations high schools **2001 Magruder's American Government** William A. McClenaghan, Frank Abbott Magruder, 2001 **Magruder's American Government** William A. McClenaghan, 1986 *Encyclopaedia of Propaganda* Robert Cole, 2022-03-24 The Encyclopedia of Propaganda examines all aspects of propaganda through history and is organized in an A to Z format The set defines the arenas in which propaganda is used such as politics war advertising and media pinpoints the political systems in which it is used such as Nazism Communism and McCarthyism and describes notable progenitors of propaganda and their works including Hitler and Mein Kampf Machiavelli and The Prince Sun Tzu and The Art of War and Plato and The Republic The Encyclopedia of Propaganda also examines noteworthy individuals who have employed propaganda to further their own agenda including Walt Disney Fidel Castro Jane Fonda the Rev Jerry Falwell Saddam Hussein Rush Limbaugh and Eleanor Roosevelt Organizations which have utilized propaganda in a systematic fashion are also included among them the Black Panther Party the Sandinista National Liberation Front and the People for Ethical Treatment of Animals This well organized easy to use reference should be a valuable research tool for students of world history politics and literature **Magruder's American Government** , 1976 **Magruder's American Government 1954** Frank Abbott Magruder, William A.
