Black Resonance Emily J. Lordi, 2013-11-08 Ever since Bessie Smith's powerful voice conspired with the race records industry to make her a star in the 1920s African American writers have memorialized the sounds and theorized the politics of black women's singing In Black Resonance Emily J Lordi analyzes writings by Richard Wright Ralph Ellison James Baldwin Gayl Jones and Nikki Giovanni that engage such iconic singers as Bessie Smith Billie Holiday Mahalia Jackson and Aretha Franklin Focusing on two generations of artists from the 1920s to the 1970s Black Resonance reveals a musical literary tradition in which singers and writers faced with similar challenges and harboring similar aims developed comparable expressive techniques Drawing together such seemingly disparate works as Bessie Smith's blues and Richard Wright's neglected film of Native Son Mahalia Jackson's gospel music and Ralph Ellison's Invisible Man each chapter pairs one writer with one singer to crystallize the artistic practice they share lyricism sincerity understatement haunting and the creation of a signature voice In the process Lordi demonstrates that popular female singers are not passive muses with raw natural or ineffable talent Rather they are experimental artists who innovate black expressive possibilities right alongside their literary peers The first study of black music and literature to centralize the music of black women Black Resonance offers new ways of reading and hearing some of the twentieth century's most beloved and challenging voices

The Papers of Martin Luther King, Jr., Volume IV Martin Luther King Jr., 2023-11-15 Acclaimed by Ebony magazine as one of those rare publishing events that generate as much excitement in the cloistered confines of the academy as they do in the general public The Papers of Martin Luther King Jr chronicles one of the twentieth century's most dynamic personalities and one of the nation's greatest social struggles King's call for racial justice and his faith in the power of nonviolence to engender a major transformation of American society is movingly conveyed in this authoritative multivolume series In Volume IV with the Montgomery bus boycott at an end King confronts the sudden demands of celebrity while trying to identify the next steps in the burgeoning struggle for equality Anxious to duplicate the success of the boycott he spends much of 1957 and 1958 establishing the Southern Christian Leadership Conference But advancing the movement in the face of dogged resistance he finds that it is easier to inspire supporters with his potent oratory than to organize a mass movement for social change Yet King remains committed The vast possibilities of a

nonviolent non cooperative approach to the solution of the race problem are still challenging indeed I would like to remain a part of the unfolding development of this approach for a few more years King s budding international prestige is affirmed in March 1957 when he attends the independence ceremonies in Ghana West Africa Two months later his first national address at the Prayer Pilgrimage for Freedom is widely praised and in June 1958 King s increasing prominence is recognized with a long overdue White House meeting During this period King also cultivates alliances with the labor and pacifist movements and international anticolonial organizations As Volume IV closes King is enjoying the acclaim that has greeted his first book *Stride Toward Freedom* only to suffer a near fatal stabbing in New York City Acclaimed by *Ebony* magazine as one of those rare publishing events that generate as much excitement in the cloistered confines of the academy as they do in the general public The Papers of Martin Luther King Jr chronicles one of the two **Ebony**, 1992-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Songs of Earth* Anna L.
