The Maharani's New Wall and Other Poems ,1989 Poetry and Freedom: Discoveries in Aesthetics, 19852018 Paul Oppenheimer,2020-03-31 This book offers a ground breaking exploration of the aesthetics of poetic freedom The range is broad from antiquity to the present and from Europe and the Middle East into the poetry of the English speaking world Revealing questions about the elusiveness of poetic freedom what does the term actually mean are repeatedly tested against the accomplishments of major poets such as Whitman Dickinson Rilke Dante and Virgil and their public yet intensely private originality The result is a fresh and well nigh revolutionary way of seeing literary and modern history or an initiation into the more striking gift of aesthetic freedom International Who's Who in Poetry 2005 Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets **The Wesleyan Tradition** Michael Collier,2012-08-22 Since issuing its first volumes in 1959 the Wesleyan poetry program has challenged the reigning aesthetic of the time and profoundly influenced the development of American poetry One of the country s oldest programs its greatest achievement has been the publication of early works by yet undiscovered poetry who have since become major awarded Pulitzer and Bollingen prizes National Book Awards and many other honors At a time when other programs are being phased out Wesleyan takes this opportunity to celebrate its distinguished history and reaffirm its commitment to poetry with publication of The Wesleyan Tradition Drawing from some 250 volumes editor Michael Collier documents the wide ranging impact of these works In his introduction he describes the literary and cultural context of American poetics in more recent decades tracing the evolution of the Deep Image and Confessional movements of the 50s and 60s and exploring the emergence of the prose lyric style Although the success of the Wesleyan program has inspired its share of imitators no other program has had such a fundamental impact Works by the eighty six poets included her both document and celebrate that contribution

their marriages divorces and other aspects of their love lives as well as the ways they conceive of maleness and femaleness
 The poems collected in *Men of Our Time* 257 from more than 170 poets include a wide mix of ethnic and racial perspectives
 that reflect the multicultural tenor of American life They reveal men s most intimate feelings about the loss of childhood
 sexual anxieties and fantasies aging self sufficiency and dependency and the perennial quest for a masculine identity Above
 all the poems are unapologetically grounded in a distinctly male experience or imagination *Men of Our Time* reclaims a
 poetry that is connected to and expressive of men s lives in the closing decade of the twentieth century **The Laurel**
