Monogamy Robert Von Hallberg,2023-03-14 Monogamy elaborates an ideology of romance from extraordinary poems and songs one by one Poems and popular songs are still the main medium for preserving the rules of romance Each chapter is a meditation on one of eight commonplaces about love that it makes one monogamous sentimental vulnerable that its force is immediate and transformative or that it is a fickle force but cannot be bought and yet endures Strong poets and lyricists bend these notions as lovers do too Great poems and songs come from interstices between celebrated commonplaces felt desires and second thoughts The Book of Love is heterogeneous complicated Some love poems reach significant numbers through books and anthologies and eventually classroom textbooks and are held in memory by generations of admirers Many popular songs however have reached extremely large audiences beginning with Broadway musicals and continuing in the recordings of later jazz vocalists They are not read but they are firmly lodged in memory They are the only poems known by most audiences Canonical poems are imitated by aspiring poets and versifiers The actual verse culture is layered with light verse song lyrics and Shakespeare s sonnets To understand what poems effectively teach about romance in particular one should attend closely to songs too particularly in the U S since 1920

LOOKING FOR UNCLE BOB Terry Vine,2012-08-22 A light hearted story about Denis a computer consultant who was leading a comfortable life until it is turned upside down whilst investigating and searching for an Uncle who has gone missing The trials and misfortunes that befall him as he is caught between a matriarchal Grandmother family members of questionable standards a conniving female and illegal scams in South London can turn a bloke to crime Follow the ups and downs the twists and turns in this family mystery crime caper as our hero and his gorgeous female sidekick set off on a perplexing search for an elusive uncle with a past as colourful as a chameleon A great read which you won t be able to put down until you find out where on earth

prayer** ,1864 **The Complete Works of C. H. Spurgeon, Volume 28** Spurgeon, Charles,2015-03-25 Volume 28
Sermons 1637 1697 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and
Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for
most of the second half of the nineteenth century and he still remains highly influential among Christians of different
denominations today His sermons have spread all over the world and his many printed works have been cherished classics
for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the
pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was
an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on
prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating
thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have
discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London
Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation
consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of
bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to
have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush
and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an
electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about
two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume
are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that
it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor
the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel
weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to
sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity
More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the
world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon **Hearings**
