Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small
episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism
not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and
details about the detective and his world in one place presented with tabulations and analyses that enable a better
understanding of the works and of Maigret himself *Investigating Simenon* Russell Campbell,2022-09-21 For nearly a
century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has
captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a
reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose
patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon
s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This
groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including
several that have never been translated into English as well as a number of short stories and several pseudonymous works
