MAIL RIDERS

Paul Revere to Pony Express

Mail Riders

A. Locher

Mail Riders:

Mail Riders Edith S. McCall,1961 Describes the efforts of individuals to deliver mail from the time of the Revolutionary War to the Pony Express in the 1860 s *The Mail Rider* Robert J Gossett,2014-05-29 Sam Clay formerly Samuel Samuelson Jr is banished from his fathers Paris Kentucky tobacco farm because of holding opposite views on slavery After he discloses his intention to enlist in the Union Army his obstinate opinionated father sends him away telling him he would be shot if he returned With a horse and rifle borrowed from a sympathetic neighbor he rides to Cincinnati Ohio and enlists in an Infantry Regiment With his Regiment he marches to Virginia and fights in several battles before he is wounded and discharged Following his discharge he returns to Cincinnati and finds a job as a guard on a wagon train bound for Natchez Mississippi During this long and adventure filled journey he becomes friends with a Confederate Soldier Cody Travis who has escaped from a prisoner of war camp When they arrive in Natchez Sam accepts Codys invitation to accompany him to his home in Marfa Texas After all he had no other place to go In Marfa he finds work first as a quicksilver guard and later as a mail rider FOR INFORMATION ON OTHER BOOKS BY GOSSETT GO TO www.westernadventurenovels.com *The Royal Mail* James Wilson Hyde,1885 Old Roads Postboys Stage and mail coaches Foot posts Mail packets englische Kolonien Commonwealth

Who's Got Mail? Linda Barrett Osborne,2023-05-02 A fascinating history of the US Post Office for kids from acclaimed author Linda Barrett Osborne In America one of the first things done in a new State is to have the mail come Alexis de Toqueville 1835 Who's Got Mail is an intriguing and fact filled look at how the mail has been delivered in the United States since before the Constitution was even signed In the United States the spread of the postal service went hand in hand with the spread of democracy and transportation As settlement spread west communication became even more important to let distant residents feel that they were American no part of the country was too far away no village or farm too small to have access to the post Moreover the Post Office has always been a public service it was not originally designed to make a profit or act like a business but to deliver letters medical supplies packages ordered through catalogs and all the things that Americans need at a reasonable cost Over the centuries it has also been one of the largest employers in the United States particularly as a means for African Americans and women to secure stable middle class jobs Full of eccentric characters great stories and technological achievements this fun middle grade narrative nonfiction celebrates one of our oldest and strongest institutions and is a true testament to the spirit of American democracy **The Girl Rough Riders** Prentiss

Ingraham,1903 **The Pony Express** Charles River Charles River Editors,2017-01-11 Includes pictures of important people places and events Explains the route of the Pony Express and accounts from Pony Express riders Includes footnotes and a bibliography for further reading I name do hereby swear before the Great and Living God that during my engagement and while I am an employee of Russell Majors and Waddell I will under no circumstances use profane language that I will drink no intoxicating liquors that I will not quarrel or fight with any other employee of the firm and that in every respect I will

conduct myself honestly be faithful to my duties and so direct all my acts as to win the confidence of my employers so help me God The oath taken by Pony Express riders Although it was only in operation for about 18 months the Pony Express remains the most famous and romanticized mailing system in American history and it still instantly brings to mind all of the old themes of the untamed frontier and the Wild West Starting shortly before the Civil War erupted across the United States the Pony Express connected the east and west by having riders deliver mail from St Joseph Missouri to Sacramento California a route setup by previous explorations and a system of relay stations and waypoints When working in perfect unison the Pony Express dramatically cut down the time it took to travel to California with the mail traveling nearly 1 900 miles to California just 10 days after the beginning of the journey in Missouri Naturally the Pony Express also ran from west to east as well Of course part of the allure of the Pony Express is in the way it challenged riders and horses which ties it to Americans fond visions of the frontier as an untamed landscape that only the most pioneering and rugged individuals could survive At the same time the Pony Express needed small riders to reduce the weight being carried by the horses Mark Twain described the Pony Express riders he saw as usually a little bit of a man To get from St Joseph to Sacramento riders would generally switch horses every 10 miles at a new stop and riders traveled at all hours of the day sometimes riding 20 straight hours to reach the destination on time Riders typically traveled over 70 miles a day working in tough conditions and not necessarily safe ones given the fact that the routes forced them to contend with bandits and potentially hostile Native Americans nearby The most notable disruption came during the Paiute War when members of the Paiute tribe attacked Pony Express outposts but it would ultimately be technological advances that made the Pony Express obsolete The advent of telegraph lines in the early 1860s eventually made communication between east and west much faster easier and safe The Pony Express The History and Legacy of America s Most Famous Mail Service comprehensively examines the history of the Pony Express from beginning to end explaining how it operated and who worked for it Along with pictures of important people places and events you will learn about the Pony Express like never before in no time at all The Spirit of the Revolution John Clement

Fitzpatrick,1924 *Web-based Survey Techniques* Gregory Spitz,Frances L. Niles,Thomas J. Adler,Transit Cooperative Research Program,2006 The Burr Conspiracy James E. Lewis,2019-06-18 A multifaceted portrait of the early American republic as examined through the lens of the Burr Conspiracy explores the political and cultural forces that influenced public perception and how in spite of vague and conflicting evidence the former Vice President was arrested and tried for treason Publisher **With Star and Crescent** A. Locher,1889 *Pony Express (eBook)* Mary Tucker,2004-03-01 Students will enjoy learning about this period of American history through poems music games discussion art and creative writing They ll learn what a petition is and start one of their own they ll make Pony Rider puppets and work together to dramatize a Pony Express ride and they ll compete in a relay race to discover for themselves what the Pony Riders knew that everybody on the team has to do his best and not let the team down Students will cooperate in putting together a Pony Express museum to

illustrate what they have learned and to share their knowledge with friends and family All this and more will open up the pages of history and involve students in a fun learning adventure they ll always remember **A Short History of Mail**

Remington, Robert W. Chambers, Frank H. Spearman, J. Allan Dunn, Robert E. Howard, Charles Siringo, 2023-11-20 In the sprawling tapestry of frontier life 50 Westerns The Best Cowboy Adventures Rider Trails Stories of Outlaws Battles with Indians showcases the raw and rugged beauty of the American West This anthology traverses a vast range of literary styles and themes capturing the spirit of adventure the allure of the untamed wilderness and the complexities of frontier justice The collection is a tour de force of Western storytelling offering readers glimpses into breathtaking landscapes and the enduring struggle between civilization and the wild Alongside the gripping action and tales of heroism are subtle explorations of the human spirit endurance and identity that resonate today The anthology brings together a remarkable assembly of literary icons who have shaped the Western genre From the introspective narratives of Willa Cather to the vivid portrayals of frontier life by Zane Grey each contributor adds a unique voice to the overarching narrative Influenced by historical and cultural movements of their time these authors craft stories that not only entertain but also reflect societal challenges and aspirations The diversity of backgrounds among the writers adds layers to the collection enriching the reader's understanding of both the triumphs and trials of Western expansion For aficionados of the Western genre or newcomers to its vast plains this collection is an indispensable guide to the multifaceted themes and narratives that define the spirit of the West 50 Westerns invites readers into a world of dusty trails and unexplored territories weaving together an unforgettable journey that transcends time and place Offering educational value and profound insights it sparks a dialogue between its myriad voices ensuring a dynamic and immersive reading experience that will captivate and inform Book Notes, 1894 Blood Brother Elliott Arnold, 1947-01-01 The Apache chief Cochise and Tom Jeffords government scout succeed in achieving peace after the army fails *The World Review* Herbert Askwith, Michael Vincent O'Shea, 1926 **The Territorial Papers of the United States** Clarence Edwin Carter, John Porter Bloom, 1958 The Territorial Papers of the United States, 1958

Information and Empire Simon Franklin, Katherine Bowers, 2017-11-27 From the mid sixteenth to the mid nineteenth century Russia was transformed from a moderate sized land locked principality into the largest empire on earth How did systems of information and communication shape and reflect this extraordinary change Information and Mechanisms of Communication in Russia 1600 1850 brings together a range of contributions to shed some light on this complex question Communication networks such as the postal service and the gathering and circulation of news are examined alongside the growth of a bureaucratic apparatus that informed the government about its country and its people The inscription of space is considered from the point of view of mapping and the changing public graphosphere of signs and monuments More than a series of institutional histories this book is concerned with the way Russia discovered itself envisioned itself and represented itself to its people Innovative and scholarly this collection breaks new ground in its approach to communication and information as a field of study in Russia More broadly it is an accessible contribution to pre modern information studies taking as its basis a country whose history often serves to challenge habitual Western models of development It is important

reading not only for specialists in Russian Studies but also for students and non Russianists who are interested in the history of information and communications
