what many would agree to be the finest production of Carousel to date staged at the National Theatre in 1992 directed by Nicholas Hytner and concludes with a look at some of the more recent revivals and the show's place in the musical theatre canon today Barry Kester lives in Pinner and has loved musical theatre all his life After retirement in 2010 he set out to write a detailed history of his favourite musical Round in Circles The Story of Rodgers Hammerstein's Carousel is his first book
