,1988 **Southern Excursions** George Garrett,James Conrad McKinley,2003-03-01 Few if any are better endowed than  
George Garrett to comment on the general and the particular the long and the short of southern letters in our time Garrett a  
prolific and internationally renowned author of fiction poetry drama and biography as well as a teacher editor critic and  
frequent jurist for literary competitions has been immersed in the writers and literature of his native region for almost a half  
century Southern Excursions contains more than fifty of the best essays reviews and other short pieces of his career For the  
connoisseur of good writing this book is a depository a treasure a veritable time capsule of southern literary and American  
culture Without sacrificing reverence for modern masters such as Faulkner O Connor and Welty Garrett has consistently  
embraced worthy new artists through the years deftly and judiciously drawing the line between critical acclaim and popular  
success Payton Davis Shelby Foote Walker Percy William HoVman Madison Jones Reynolds Price Robert Morgan R H W  
Dillard Wendell Berry Doris Betts William Goyen Mary Lee Settle Randall Kenan David Huddle Allan Gurganus Dorothy  
Allison these are a few of the writers Garrett has championed If some names sound less familiar Garrett in these pages will  
inspire readers to swift investigation The author s charm wit and anecdotal style make reading Southern Excursions a delight  
and yet there s no mistaking his erudition Wise like a prophet with a talent scout s enthusiasm Garrett is not afraid to tell  
unwelcome truths covering topics that include southern publishing houses and literary quarterlies the alliance between  
writers and academia the state of criticism and theory and most eloquently the persistence of place memory and the Civil  
War as themes in southern letters Southern Excursions is a book for the ages stowing as it does the sage views of one as  
learned respected and modest in his time as George Garrett My strong suggestion to readers he states is to plunge in and  
fare forward Experience the story before turning to or trusting the opinions and judgments of others myself included
