appearances wherever he played Until the last year of his life Hooker had only a few singles on obscure labels to show for all the hard work The situation changed in his last few months when his following expanded dramatically Drove of young whites were seeking American blues tunes and causing a blues album boom When he died his star s rise was extinguished Known primarily as a guitarist rather than a vocalist Hooker did not leave a songbook for his biographer to mine Only his peers remained to praise his talent and pass on his legend Earl Hooker s life may tell us a lot about the blues biographer Sebastian Danchin says but it also tells us a great deal about his milieu This book documents the culture of the ghetto through the example of a central character someone who is to be regarded as a catalyst of the characteristic traits of his community Like the tales of so many other unheralded talents among bluesmen Earl Hooker Blues Master Hooker s life story has all the elements of a great blues song late nights long roads poverty trouble and a soul felt pining for what could have been **Two Masters of the Blues [playbill]** ,1971 All Music Guide to the Blues Vladimir Bogdanov,Chris
