Masters Of The Nyingma Lineage:

Masters of the Nyingma Lineage Leslie Bradburn, 1995 Brief biographical sketches of rNying ma masters who are authors of texts in the Great Treasures of Ancient Teachings collection of traditional Tibetan Buddhist writings [Annals of the Nyingma Lineage in America](#) ,1969 *The Buddha's Doctrine and the Nine Vehicles* Jose Ignacio Cabezon, 2013-01-31 This book is a study of the life and most important extant work of Rog Bande Sherab also known as Rogben 1166 1244 Rogben devoted his life to collecting important textual cycles and meditation techniques Rogben s most important work The Lamp of the Teachings cuts across the genres of history doctrinal studies and doxography It is one of the earliest philosophically robust explanations of the nine vehicle system of the Ancient or Nyingma school of Tibetan Buddhism ,

The Life and Visions of Yeshé Tsogyal The Tertön Drime Kunga, Yeshe Tsogyal, 2017-08-22 This stunning biography reveals the heroic life of Yesh Tsogyal the mother of Buddhism in Tibet and a powerful female role model for spiritual accomplishment and perfection This secret life story of Yesh Tsogyal presents a valuable and unique perspective that is quite a departure from any other account of this remarkable woman Described as a secret life story its many layers include an outer account detailing her birth family and societal constraints an inner account that begins as she meets and escapes captivity with Guru Rinpoche and a secret account as she enters twelve years of retreat at Chimpu only to miraculously journey to Oddiyana The role of women and womanhood is notable throughout her life story Her desire for independence is at odds with her desirability as a woman leading to numerous tragic incidents early in life Finally meeting Guru Rinpoche she decries her status as a woman This sort of gendered humility a recurring theme is juxtaposed with her assertion that despite being a woman and low born skyedman she has a high regard for herself anyway It is a magical woman who guides her to Oddiyana and her travels there are filled with primarily female companions In the end she remains Guru Rinpoche s primary disciple and doctrinal custodian Her experiences while perhaps intense and fantastical include the same elements of challenge learning and progress that all practitioners must experience During her adventures in Oddiyana Yesh Tsogyal receives the same core teachings on faith impermanence and fortitude that are essential for anyone following this spiritual path This accomplished translation is enriched by the refreshing insights of six contemporary scholars and teachers of Tibetan Buddhism making this invaluable guide to the life of Yesh Tsogyal a treasure for practitioners scholars and anyone intent on the possibility of awakening **The Nyingma School of Tibetan Buddhism** Dudjom, 2012-07-23 Written by a great modern Nyingma master Dudjom Rinpoche s The Nyingma School of Tibetan Buddhism covers in detail and depth both the fundamental teachings and the history of Tibetan Buddhism s oldest school This the first English translation of His Holiness masterwork constitutes the most complete work of its type in the West An absolute treasure for students of the tradition it is also an indispensable reference for anyone with an interest in Buddhism The book includes chronologies and glossaries that elucidate Buddhist doctrine and it provides fascinating insights into the Buddhist history of Tibet Two

treatises form the present volume namely the Fundamentals of the Nyingma School and the History of the Nyingma School Among the most widely read of all His Holiness Dudjom Rinpoche's works these treatises were composed during the years immediately following his arrival in India as a refugee His intention in writing them was to preserve the precise structure of the Nyingma philosophical view within its own historical and cultural context This is the first time this text has been available in a trade edition Beautifully presented this single volume edition represents a truly wonderful gift and features illustrations in black and white and in color plus maps bibliographic information and useful annotations
