Masters And Monsters:

Unleash the Master ... While Taming the Monster ... in You! Dan Stanowski, 2006-03 We all have a little bit of MONSTER in us some of us just a little some a lot How we TAME that MONSTER and UNLEASH the MASTER that exists inside of us is what this book is all about The more we let our Monsters take control the more we feel Monster ous results Pain anger fear sadness and the un productive behavior that these emotions lead to Learn how to unleash your Master freeing you to live with more joy love energy and peace of mind than you can imagine and to operate more productively allowing you to make your life all you could ever hope for **Humans vs Monsters** David A. King Jr, 2019-01-31 The year is 1912 The world is reeling from the worldwide Great Depression which has left every nation on earth reeling financially During this time two camps of nations have risen to prominence The nations of America France England and Russia despite the economic collapses have managed to start to pull themselves out of the Great Depression On the other side is the UMN the United Monster Nations comprised of Transylvania home of the vampires Luciansburg home of the werewolves or Lycans Covenia home of the Witches or Wiccans and Decemus home of the zombies or the walking dead Both groups of nations are weary of one another The UMN is ruled over with an iron hand by Grand Chancellor Alucard who has brought to an end the centuries long war between the monster races and has had the monster clans united in their hatred of mankind At the outset of our story the UMN has been on a military buildup for more than ten years now and is planning a massed military assault against the human nations listed above for control of the Earth Though they preach for peace with America this is just a clever ruse by Lord Alucard to buy his nations more time to prepare for war One can only imagine the horrors of a conventional war Gone are the days of lining up soldiers and having them simply walk into oncoming fire This is a new century with new ways of warfare A conventional war could mean the deaths of countless millions of lives both monster and human [A Mastery of Monsters](#) Liselle Sambury, 2025-07-29 Two starred reviews Ninth House meets Legendborn in this bold and bloody Kirkus Reviews starred review first book in a dark academia fantasy series about a teen who s willing to do anything to find her brother even infiltrate a secret society full of monsters When August s brother disappears before his sophomore semester everyone thinks the stress of college got to him But August knows her brother would never have left her voluntarily especially not after their mother so recently went missing The only clue he left behind was a note telling her to stay safe and protect their remaining family And after August is attacked by a ten foot tall creature with fur and claws she realizes that her brother might be in more danger than she could have imagined Unfortunately for her the only person with a connection to the mysterious creature is the bookish Virgil Hawthorne and he knows about them because he is one If he doesn t find a partner to help control his true nature he ll lose his humanity and become a mindless beast exactly what the secret society he s grown up in would love to put down Virgil makes a proposition August will join his society and partner with him and in return he ll help her find her brother And so August is plunged into a deadly competition to win one of the few coveted

candidate spots all while trying to accept a frightening reality that monsters are real and she has to learn to master them if she is to have any hope of saving her brother
