The Master's Perspective on Pastoral Ministry Richard Mayhue, Robert L. Thomas, 2002 Foreword by John F MacArthur Jr
A series designed for pastors and Bible students to bring the writings of notable Bible scholars and teachers on topical issues to a wider audience Chapters in this series previously appeared in The Master s Seminary Journal **Pastoral Ministry**
John F. MacArthur, Master's Seminary Faculty, 2017-03-07 Pastor John MacArthur combines his passion for the Bible with the training expertise of faculty members at The Master s Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills Pastors today can easily become preoccupied with the many pitfalls of modern culture buying into the idea of image and straying from Jesus s call to shepherd leadership Pastoral Ministry How to Shepherd Biblically presents a practical pastoral theology aimed at showing pastors and pastors in training the vital role God s word plays in shaping the preparation and maintaining the priorities of pastoring The authors examine the biblical teaching about the high and demanding call to ministry required of any spiritual shepherd You ll learn how to pursue intentional growth through the stages of calling training and ministering to God s church along the way uncovering answers to questions such as How does the Bible establish a philosophy of pastoral ministry and what is it Who is personally qualified to be an undershepherd of God s flock What are the biblical preparations required of shepherd leaders What priority does God s word place on activities involved in pastoral ministry United in affirming shepherd leadership as the biblical model for pastoral ministry The Master s Seminary faculty contributes a treasury of expertise alongside insights from well known Bible teacher John MacArthur This book will inspire any pastor dedicated to serving God s church in the pattern of Jesus Christ

Psychological Perspectives on Christian Ministry Leslie J. Francis, Susan H. Jones, 1996 **Screwtape's Master Plan**
Charles H. Anderton, 2012-11-02 He s baaack That infernal demon Screwtape from C S Lewis s classic book The Screwtape Letters has returned Screwtape is armed with a Master Plan designed to acidify and ultimately destroy the cultural tapestries of a critical region of the world and the humans therein In a series of lectures delivered to a legion of demons Screwtape highlights key principles and tactics for twisting human thinking and behavior in the areas of materialism sexuality intergroup relationships self actualization work and vocation and understandings of Jesus Screwtape s ultimate objective is to snuff out God s light in the region by encouraging Christians to assimilate to prevailing cultural norms or withdraw into their own cultural bubbles rather than faithfully integrate into the cultures around them Through a process known as the Amishification of the Church Screwtape expects the Christian church to become a minor backwater institution in the region by the end of the twenty first century **Comeback Churches** Ed Stetzer, Mike Dodson, 2007-05-01 Research shows that over time most churches plateau and then eventually decline Typically they start strong and experience periods of growth then stagnate and lose members Since 1991 the North American population has increased by 15 percent while the number of unchurched people has increased by 92 percent Large church houses that were filled in the 1950s and 60s now hold a

fraction of their capacity To counter this trend authors Ed Stetzer and Mike Dodson surveyed 300 churches from across ten different denominations that recently achieved healthy evangelistic growth after a significant season of decline What they have discovered is an exciting method of congregation reinvigoration that is shared in the new book entitled *Comeback Churches* Endorsements As a successful pastor church planter researcher and advisor to thousands of churches Ed Stetzer speaks from a wealth of experience with all kinds of churches Now in one volume your church can benefit from his wisdom This book is a winner Dr Rick Warren author of *The Purpose Driven Life* and *The Purpose Driven Church* First and foremost it is biblical Second it is well researched And third it is immensely practical and applicable this book should be in the hands of hundreds of thousands of pastors staff and church leaders Simply stated it is just that good Thom S Rainer author of *Simple Church* president CEO of Lifeway Christian Resources Finally a book of practical advice that is based on research I have seen it both ways endless research with little advice or much advice with little facts This book strikes the balance with perfection Elmer Towns Dean of Liberty University This is the most helpful practical book on church revitalization I ve read this century Leonard Sweet Drew Theological School George Fox University *Comeback Churches* is more than a pep talk It s rooted in the right stuff to bring a congregation out of the dismal into the vital Jack W Hayford President International Foursquare Churches Chancellor The King s College and Seminary No one to my knowledge has done the hard research presented the facts and offered such sound advice as Ed Stetzer and Mike Dodson *Comeback Churches* is the number one book on turning around declining and plateauing church ministry Gary L McIntosh D Min Ph D Biola University A refreshing book by authors who know how to make research exciting and instructional Leaders and members of non growing evangelical churches should read this book it wouldn t hurt mainliners either Bill Easum Easum Bandy Associates **John**

Transforming Missiology Fohle Lygunda li-M, 2018-02-28 Dr Fohle Lygunda li M provides a thorough analysis of missiological teaching in theological institutions in Africa with special reference to ten Christian universities in the Democratic Republic of the Congo

His detailed examination of current teaching of mission theory and practice builds a solid foundation for the articulation of a new paradigm of missiological education In this book Dr Lygunda presents the case for a transformed approach to raising up seminarians who are equipped to lead indigenous missional churches that will fulfil the Great Commission in their own communities and beyond their national borders **John Macquarrie, a Master of Theology** Owen F. Cummings,2002 This book represents a sympathetic but critical awareness of the theological awareness of John Macquarrie the premier Anglican theologian of our times **The Vulgarization of Christ's Church** Ronnie W. Rogers,2017-04-14 This book seeks to clarify and demonstrate the incalculable and injurious influence that progressive education has had and is having upon preaching thinking Christianly and the local church Progressive education began at the turn of the twentieth century replacing classical education with what is purportedly a science based education which necessarily results in scientism This seismic shift in public education has not only affected what we learn but how we think In order to enable the church to detect progressivism s deleterious sway and protect herself by being equipped with the progressive revelation of God and thereby counter the influence of progressive education of man I seek to highlight some of the underlying intolerable essentials of progressive education In the companion book to this one The Equipping Church Somewhere Between Fundamentalism and Fluff I explain the biblical model for the local church and how to build such a church
