Clancy,2003 Defining an artistic era or movement is often a difficult task as one tries to group individualistic expressions and artwork under one broad brush Such is the case with impressionism which culls together the art of a multitude of painters in the mid 19th century including Monet C zanne Renoir Degas and van Gogh Basically impressionism involved the shedding of traditional painting methods The subjects of art were taken from everyday life as opposed to the pages of mythology and history In addition each artist painted to express feelings of the moment instead of hewing to time honoured standards This description of impressionism obviously is quite broad and can apply to a wide array of styles Nonetheless it remains a very important school in the annals of art Any current or budding art aficionado should become familiar with the impressionist movement and its impact on the art world This book presents a sweeping study of this artistic period from its origins to its manifestations in the works of some of art history s most revered painters Following this overview is a substantial and selective bibliography featuring access through author title and subject indexes **American Impressionism** William H. Gerdtz,1994-01 This tiny volume offers 275 reproductions of the masters of American Impressionism including Childe Hassam John Twachtman Edmund Tarbell and Frederick Frieseke It also looks at the roots of American Impressionism explaining its progress from the avant garde to more diverse manifestations Whistler to Cassatt Timothy J. Standring,2021-01-01 A revelatory look at an underexplored chapter of American art which took place not on American soil but in France In the late nineteenth and early twentieth centuries American artists flocked to France in search of instruction critical acclaim and patronage Some including James McNeill Whistler John Singer Sargent and Mary Cassatt became highly regarded in the French press advancing their careers on both sides of the Atlantic Others notably William Merritt Chase John Twachtman Childe Hassam and Thomas Wilmer Dewing part of the association known as The Ten found success working in the style of the French Impressionists while Henry Ossawa Tanner Cecilia Beaux and Elizabeth Jane Gardner focused on genre and history subjects This richly illustrated volume offers a sophisticated examination of cultural and aesthetic exchange as it highlights many figures including artists of color and women who were left out of previous histories Celebrated scholars from both American and French institutions detail the complex history and diverse styles of these expatriate artists styles ranging from conservative academic modes to Tonalism and provide original perspectives on this fertile period of creativity expanding our understanding of what constitutes American art **New York Magazine** ,1992-08-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Women Impressionists** Russell T. Clement,Christiane Erbolato-Ramsey,Annick Houzé,2000-02-28 This reference organizes and describes the primary and secondary literature surrounding Mary Stevenson Cassatt Berthe Morisot Eva Gonzal s and

Marie Bracquemond four major women Impressionist artists The Impressionist group included several women artists of considerable ability whose works and lives were largely ignored until the advent of feminist art criticism in the early 1970s They studied worked and exhibited with their male counterparts including Degas Manet Monet and Pissarro The entries provide extensive coverage of the careers critical reception exhibition history and growing reputations of these four female artists and discuss women Impressionists in general as they shared the challenges of becoming accepted as professional artists in late 19th century society Containing nearly 900 citations of manuscripts books articles reproductions films exhibitions and reviews this unique sourcebook will appeal to both art and women s studies scholars Each artist receives a biographical sketch chronology information about individual and group exhibitions and reviews and a primary and secondary bibliography which captures details about the artist s life career and relationship with other artists An art works index and names index complete the volume

Art and the Higher Life Kathleen Pyne,2010-07-22 Late in the nineteenth century many Americans were troubled by the theories of Charles Darwin which contradicted both traditional Christian teachings and the idea of human supremacy over nature and by an influx of foreign immigrants who challenged the supremacy of the old Anglo Saxon elite In response many people drew comfort from the theories of philosopher Herbert Spencer who held that human society inevitably develops towards higher and more spiritual forms In this illuminating study Kathleen Pyne explores how Spencer s theories influenced a generation of American artists She shows how the painters of the 1880s and 1890s particularly John La Farge James McNeill Whistler Thomas Dewing and the Boston school and the impressionist painters of the Ten developed an art dedicated to social refinement and spiritual ideals and to defending the Anglo Saxon elite of which they were members This linking of visual culture to the problematic conditions of American life radically reinterprets the most important trends in late nineteenth century American painting
