Ashworth,1993 **The Mother of God in the Theology of Sergius Bulgakov** Walter Nunzio Sisto,2017-10-25 This book explores the Mariology of one of the most unique and fascinating thinkers in the Russian Orthodox tradition Father Sergius Bulgakov Bulgakov develops the Russian sophianic mariological tradition initiated by Vladimir Solov'ev and argues that Mary is the soul of the world or the pneumatological hypostasis Mary is the first and greatest disciple to be adopted by the Holy Spirit By situating Mary within the life and mission of the Holy Spirit Bulgakov maintains the respect and veneration that Orthodox Christians have for Mary but also places Mary squarely within the community of disciples Mary is a model disciple who reveals that the goal of the spiritual life spiritual motherhood In addition this text reveals the relevance and importance of Bulgakov s contribution to the contemporary discussion about the role of Mary in the history of salvation *God's Mother, Eve's Advocate* Tina Beattie,2002-12-01 Tina Beattie has written a stunning book on the theology of woman Her stated objective is to discern the place of the female body in the Christian story of salvation and she has done so from the very heart of Christian stylisations of the female the figures of Mary and Eve Beattie has pursued her subject with the aid of French psychoanalytic feminism these writers are preoccupied as is Catholic theology with questions of language and symbolism But she deliberately puts herself at odds with neo orthodoxy and feminist liberal theology she believes that theologians like von Balthasar depart from the best Patristic tradition of Marian theology with disastrous effect Nor does she offer any solace to the Marina Warners of this world in a book which is strong in defence of classical Marian theology She defends with passion and theological insight not only the Virgin Birth the Immaculate Conception and the Assumption but also the perpetual virginity of Mary Virginal desire according to Beattie need not be seen negatively but as an affirmation of the integrity of women s desire before God in a way not dependent on the phallus nor reducible to genitality **Breaking Through the Stained Glass Ceiling** Maureen Fiedler,2010-05-01 This collection of lively Q A interviews with key contemporary female religious leaders focuses not only on the discrimination faced by women in religion but documents the emerging leadership of women in several faith traditions **The Testimony of the Spirit** R. Saint Joseph Leonardo Boff, 2009-02-16 In Saint Joseph Leonardo Boff seeks to provide a vigorous critique and theological analysis of Saint Joseph and in so doing attempts to undo historical misconceptions misunderstandings and clichés that surround the figure of Joseph The book provides a comprehensive view of the topic as it takes into account biblical references including the apocrypha church tradition papal edicts liturgical expressions and various viewpoints proposed by theologians Boff is also concerned with updating the figure of Saint Joseph his first step in this direction is to provide a clear understanding of the life of Joseph as an artisan husband father and educator He then deals with the issue of the importance of Saint Joseph for current issues concerning family and fatherhood Lastly Boff argues that Saint Joseph helps us to understand new facets of the mystery of God and the author does this through his argument concerning the order of hypostatic union where according to his argument there is a relation between Jesus and the Son Mary and the Holy Spirit and Joseph and the Father Boff seeks here to fill a gap in the theological literature given that theologians have concentrated their efforts on Jesus and the Son and Christology and Mary and the Holy Spirit and Mariology but these same theologians have by and large given very little time to the figure of Saint Joseph and the Father and Josephology **T&T Clark**
