Subject: Federally Funded Math and Science Materials

As a follow-up to our July report, *Math and Science Education: Comprehensive Information About Federally Funded Materials Not Available* (GAO/ED-00-103, July 11, 2000), you asked us to provide additional information on each of the 11 materials identified in our report. Specifically, you asked us to describe (1) the topic and/or range of those materials, and (2) the materials' designed duration of instruction—that is, whether the materials are designed to be used over the course of a partial academic school year, a single academic school year, or multiple academic school years.

The enclosure to this letter provides information about each of the materials, including the topics covered and a summary of their instructional goals. Table 1 summarizes the duration of the instruction for which the materials were designed.

\* Materials refer to any document, material, or tool that consists of all the components that are utilized in teaching a student, would require teachers or other individuals and/or facilities resources.
