Mule Woman:

Woman's World ,1928 **Woman's Home Companion** ,1915 *Eroticism, Spirituality, and Resistance in Black Women's Writings* Donna Aza Weir-Soley,2017-06-13 Provocative articulates the importance of embodied erotic spirituality to black female subjectivity and empowerment Tulsa Studies in Women s Literature Sets out to reclaim the right of black women to their sexual and erotic expression untainted by the stereotypes and disparagements that have historically confined them African American Review Captures one of the most challenging concerns of scholars who engage black women s literature culture and theory the ongoing quest to locate a form of black female sexual agency that neither withers in the chilly lake of sexual repression nor explodes in the heat of hypersexual stereotypes MELUS Journal of the Society for the Study of the Multi Ethnic Literature of the United States Successfully undertakes an analysis of how black women writers have used overlapping narrative depictions of sexuality and spirituality to recast the denigrated black female body and rewrite an empowered and fully actualized black female subject Candice M Jenkins author of *Private Lives Proper Relations Regulating Black Intimacy* Weir Soley speaks with an authority that comes from real knowledge of investment in and attention to the details of the African cosmologies and textual complexities she unearths Carine Mardorossian SUNY Buffalo The most original and significant contributions are the often brilliant readings of Morrison Adisa and Danticat The work is riveting both methodologically and critically Leslie Sanders York University Western European mythology and history tend to view spirituality and sexuality as opposite extremes But sex can be more than a function of the body and religion more than a function of the mind as exemplified in the works and characters of such writers as Zora Neale Hurston Toni Morrison Opal Palmer Adisa and Edwidge Danticat Donna Weir Soley builds on the work of previous scholars who have identified the ways that black women s narratives often contain a form of spirituality rooted in African cosmology which consistently grounds their characters self empowerment and quest for autonomy What she adds to the discussion is an emphasis on the importance of sexuality in the development of black female subjectivity beginning with Hurston s *Their Eyes Were Watching God* and continuing into contemporary black women s writings Writing in a clear lucid and straightforward style Weir Soley supports her thesis with close readings of various texts including Hurston s *Their Eyes Were Watching God* and Morrison s *Beloved* She reveals how these writers highlight the interplay between the spiritual and the sexual through religious symbols found in Voudoun Santeria Condomble Kumina and Hoodoo Her arguments are particularly persuasive in proposing an alternative model for black female subjectivity [A Catalogue Raisonné of the Works of the Most Eminent Dutch, Flemish and French Painters: Nicholas Berghem, Paul Potter, Adrian vander Velde, Karel du Jardin, Albert Cuyp, John vander Heyden](#) John Smith,1834 **A Catalogue Raisonné of the Works of the Most Eminent Dutch, Flemish, and French Painters; in which is Included a Short Biographical Notice of the Artists, Etc. (Supplement.).** John Smith,1829 **‘Alī's Book on the Useful Properties of Animal Parts** Lucia Raggetti,2018-12-17 The Science of properties represents a

large and fascinating part of Arabic technical literature The book of s ibn Al 9th cent On the useful properties of animal parts was the first of such compositions in Arabic His author was a Syriac physician disciple of unayn ibn Is q who worked at the Abbasid court during the floruit of the translation movement For the composition of his book as a multilingual scholar he collected many different antique and late antique sources The structure of the text itself a collection of recipes that favoured a fluid transmission becomes here the key to a new formal analysis that oriented the editorial solutions as well The Book on the useful properties of animal parts is a new tile that the Arabic tradition offers to the larger mosaic representing the transfer of technical knowledge in pre modern times This text is an important passage in that process of acquisition and original elaboration of knowledge that characterized the early Abbasid period

The History of Four-Footed Beasts and Serpents and Insects Edward Topsell, 2013-11-05 First Published in 1967 This is volume one of three of The History of Four footed Beasts taken principally from the Historite Animalium of Conrad Gesner During the first decade of the seventeenth century when Topsell prepared his translation zoology had just become a science It has a unique place It was the first major book on animals printed in Great Britain in English and it appeared at the last moment in history when all zoological knowledge since antiquity could be summarized sympathetically before it was rendered a curiosity by the many new discoveries soon to come

The Lonesome Dove Series Larry McMurtry, 2010-06-01 The timeless bestselling four part epic that began with the Pulitzer Prize winning Lonesome Dove takes readers into the lives of Augustus McCrae and Woodrow Call two tough as nails Texas Rangers in the heyday of the Old West Dead Man s Walk As young Texas Rangers Augustus McCrae and Woodrow Call Gus and Call for short have much to learn about survival in a land fraught with perils not only the blazing heat and raging tornadoes roiling rivers and merciless Indians but also the deadly whims of soldiers On their first expeditions led by incompetent officers and accompanied by the robust dauntless whore known as the Great Western they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez They will be astonished by the Mexican army And Gus will meet the love of his life Comanche Moon Texas Rangers August McCrae and Woodrow Call now in their middle years are still figuring out how to deal with the ever increasing tensions of adult life Gus with his great love Clara Forsythe and Call with Maggie Tilton the young whore who loves him when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico On this mission their captain Inish Scull is captured by the brutally cruel Mexican bandit Ahumado and Gus and Call must come to the rescue with the aid of new friends including Joshua Deets Jake Spoon and Pea Eye Parker as well as the renowned Kickapoo tracker Famous Shoes Lonesome Dove Gus and Call now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company are visited by their old friend Jake Spoon who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory Gus is further motivated by a desire to see the love of his life Clara Allen previously Clara Forsythe who now lives with her children and comatose horse trader husband in Ogallala

Nebraska On the way to Montana they travel through wild country full of thieves murderers and a lifetime s worth of unforgettable adventure Streets of Laredo Woodrow Call is back in Texas a Ranger once again and a general gun for hire but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call Call s old friend Pea Eye Parker who initially refused to join the expedition because of his family sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call until he runs into troubles of his own The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and finally into the vast relentless plains of the Texas frontier **The Sicilian Woman's Daughter**

Linda Lo Scuro,2018-10-22 If you loved My Brilliant Friend The Godfather and Montalbano youll love this utterly gripping novel about women in organised crime in Sicily Most victims of the mafia are the Sicilians themselves The role of women both as perpetrators and victims has been grossly overlooked Until now As the daughter of Sicilian immigrants in her teens Maria turns her back on her origins and fully embraces the English way of life Notwithstanding her troubled and humble childhood in London and backed up by her intelligence beauty and sheer determination she triumphantly works her way up to join the upper middle class of British society There she becomes a bastion of civility But a minor incident wakes up feelings of revenge in her like those lurking in Marias Sicilian origins As she delves deeper into her mothers family history a murky past unravels drawing Maria more and more into a mire of vendetta **Diccionario español e ingles** Giuseppe

Stories and Crossing Niobrara Under the Guns: A Woman's Reminiscences of the Civil War Annie Wittenmyer, In preparing this little volume for publication no attempt whatever has been made to record as facts of history the military movements of the army during our recent Civil War The great captains who led the Union forces through the terrible conflict from Fort Sumter to Appomattox have already covered to a large extent the military history of the war My purpose has been simply to bring out in connection with these great military events with which they were so intimately connected a few of the many incidents and heart histories that were crowded into my own life from April 20 1861 to Nov 23 1865 The stories and reminiscences in this book are true to life every one of them They are told just as they occurred without any attempt at literary embellishment and most of them can be substantiated by living witnesses Camps and hospitals were established near my own home in Keokuk Iowa early in April 1861 I began at once my ministrations to the sick in these newly established hospitals and during my daily visits closed the eyes of the first Iowa soldier who died in the war From that time on till the close of the war I was actively engaged all along the lines I was loyally and generously sustained by the women of Iowa was elected by the Iowa Legislature sanitary agent of the State was commissioned by Iowa s grand old war governor Samuel J Kirkwood was furnished by Secretary Stanton with a pass to all parts of the field and government transportation for myself and supplies This official order of Mr Stanton s was supplemented by the following charge It is especially enjoined upon all officers to furnish this lady every facility in carrying out her generous purposes it being shown that she is worthy of great respect I had also the co operation of the Sanitary and Christian Commissions and the chief medical officers and government officials so that I had unusual facilities for doing good I was greatly indebted to General and Mrs Grant for sympathy and aid When Mrs Grant was at her husband s headquarters the place was a haven of rest for me and a welcome always awaited me Indeed Mrs Grant would have joined me in the work but her husband was afraid her strength and sympathies would be overtaxed During these brief visits I learned to appreciate the unselfishness and noble qualities of General Grant and the strength and purity of his character and the loveliness and sterling worth of Mrs Grant and her wifely devotion I was also under great obligations to General John A Logan who was ever ready to aid me When it was almost impossible to get from Bridgeport to Chattanooga he sent me up in a little steamer which he loaded with my supplies Later I met Mr Orson the president of the United Telegraph Association and General Logan introduced me with such kindly appreciative words that without a hint from either of us he filled out an order allowing me to telegraph free to the end of the war I still have that little order in my possession It is due our brave soldiers that I should say that I felt as safe in their midst as I would have done in my own home even though at times I was the only woman in the midst of an army of twenty thousand fighting men as was the case at Milliken s Bend after the repulse of General Sherman at Haines Bluff Not one impertinent or rude word was ever spoken to me in all those years No purer or grander army ever marched to the music of fife and drum than the army that stood for the defence of our flag and the unity of our government from 1861 to 1865 A woman could walk in their midst in

white and a little child would have been as safe as in its mother's arms As I was all along the lines from Vicksburg to Petersburg and was on some of the bloodiest battle fields and as I followed Sherman's army along the fiery lines from Chattanooga to Atlanta I necessarily had to pass through many perils and witness many exciting scenes A few of these stories I have now thought best to publish When Leaves Change Color John Bradford Branney,2015-08 An adventure based on the introduction of horses to the Plains Indians Santiago Ortega was born to a wealthy family living on a sprawling ranch in the Spanish province of New Mexico When the Pueblo Indians revolt against the Spaniards the lives and dreams of Santiago and his family are forever shattered Santiago embarks on a dangerous journey back into New Mexico to find a lost brother and to seek revenge on all Indians Ouray lives in poverty with his Indian tribe in a desert on the high plains of Wyoming Ouray's life unravels when hostile warriors destroy his family and capture the woman he loves Ouray begins an impossible search to find his woman but discovers something so unusual and wonderful that his life will never be the same Fate eventually pulls Santiago and Ouray onto an unexpected collision course **Report on the Condition of Women and Child Wage-earners in the United States ...** ,1910 *The Checker Board* Nedler Palaz,2013-02 In 1880 West Texas Dave Smith seeks a way to stay alive after choosing to run away from a family scandal in St Louis Dave encounters drunken Red Talbot and learns a hard knock lesson in a one-sided fistfight Pinto Larson wily owner of The Checker Board ranch believes Dave Smith can become a seasoned drover with training from Sam Eagle Feather the Cheyenne Indian adopted by Pinto While the two are at a remote line camp they rescue a battered woman Sam acknowledges he has feelings for the woman and takes her to safety Ignoring laws relating to Indians trouble develops for both of them when crazed Red Talbot calls out Sam in a fatal fight in which Dave makes a deadly decision Through a series of lethal encounters Dave becomes a gun hand under the tutelage of Pinto Larson who had plied the trade in his youth before settling down to ranching Dolores Alconda an orphan from Santa Fe now the schoolteacher in the village of San Miguel finds an extraordinary affinity with Dave's own self-elected banishment from family Together they form a loving relationship and plan a wedding expecting to settle and prosper on a small cattle holding provided by Pinto Larson Life's game of luck is fleeting **The Woman's Secret of a Happy Life** Donna K.
